Nice Hell Very Small Place Confinement:

What Is Antiracism? Arun Kundnani, 2023-06-13 Liberals have been arguing for nearly a century that racism is fundamentally an individual problem of extremist beliefs Responding to Nazism thinkers like gay rights pioneer Magnus Hirschfeld and anthropologist Ruth Benedict called for teaching people especially poor people to be less prejudiced Here lies the origin of today's liberal antiracism from diversity training to Hollywood activism Meanwhile a more radical antiracism flowered in the Third World Anticolonial revolutionaries traced racism to the broad economic and political structures of modernity Thinkers like C L R James Claudia Jones and Frantz Fanon showed how racism was connected to colonialism and capitalism a perspective adopted even by Martin Luther King Today liberal antiracism has proven powerless against structural oppression As Arun Kundnani demonstrates white liberals can heroically confront their own whiteness all they want yet these structures remain This deeply researched and swift moving narrative history tells the story of the two antiracisms and their fates As neoliberalism reordered the world in the last decades of the twentieth century the case became clear fighting racism means striking at its capitalist roots

Poetry and Bondage Andrea Brady, 2021-10-21 Poetry and Bondage is a groundbreaking and comprehensive study of the history of poetic constraint For millennia poets have compared verse to bondage chains fetters cells or slavery Tracing this metaphor from Ovid through the present Andrea Brady reveals the contributions to poetics of people who are actually in bondage How the book asks does our understanding of the lyric and the political freedoms and forms of human being it is supposed to epitomise change if we listen to the voices of enslaved and imprisoned poets Bringing canonical and contemporary poets into dialogue from Thomas Wyatt to Rob Halpern Emily Dickinson to M NourbeSe Philip and Phillis Wheatley to Lisa Robertson the book also examines poetry that emerged from the plantation and the prison This book is a major intervention in lyric studies and literary criticism interrogating the whiteness of those disciplines and exploring the possibilities for committed poetry today
