World View From Elenora Giddings Ivory Tower Elenora Giddings Ivory,2018-09-27 When asking someone why they
hold a political or social justice belief they often are at a loss to defend it We need articulate defenders of the biblical justice
agenda As people of faith more of us should be able to explain why we reach out to others to assist during times of need or at
times when they cannot speak up for themselves This is the example set for us through the ministry of our Old Testament
prophets and New Testament Jesus Lay people often want to get right to the point and not always have to wade through the
academic jargon of the various religious disciplines My volume gives them some examples of how certain scripture once it is
employed was and is used to support the mandate to feed the hungry clothe the naked heal the sick and set free the captives
and that the nations will be judged by the way they treat the least of those among us The volume has real world applications
Justice can be done through direct service education about the issues or systemic advocacy as shown here *Commercial*
