Newly Qualified Nurses Cv Sample:

How to Thrive as a Newly Qualified Nurse Carol Forde-Johnston, 2018-10-29 How to Thrive as a Newly Qualified Nurse provides a structured programme of support for nursing students and newly qualified nurses during their first year qualified. Packed with practical examples, tips and advice and featuring vignettes from recently qualified nurses, this book will help you to Choose your first nursing post and secure the job you really want. Structure your learning and development in the early stages of your career. Work in a team, prioritise your care giving and delegate to others. Understand safe staffing, patient acuity and dependency tools, care planning and risk assessment tools. Learn how to escalate concerns and report incidents. Here's what some of our student and NQN reviewers said: The writing style and tone of voice is just right; it reads as though I'm having a conversation with a knowledgeable, trusted friend. I noticed that it answered many of the questions I was always embarrassed to ask as I thought I should have already known those things I have wanted. A book that covers the information provided in this book and have been unable to find one. I think this book will be an incredibly useful resource. Drawing on her 30 years experience as a Registered Nurse and University Lecturer/Practitioner, Carol Forde-Johnston has written an accessible and practical book that aims to respond to the questions and concerns that her students and NQNs frequently raise and to help you thrive as a newly qualified nurse.

The Newly Qualified Nurse's Handbook E-Book Bethann Siviter, 2008-02-14 This book has been prepared by professionals working in the UK. It is not a primer on clinical skills but an indispensable handbook and resource for the new nurses who are about to embark on their first job and need to develop nursing judgment and the ability to organise and deliver care. It is about learning how to think like a nurse, developing the judgment and behaviour that is essential in competent practice. With an immensely readable style, this book uses a friendly conversational manner with realistic hints, tips and examples from real life to encourage nurses in the early days of their careers. Issues such as assertiveness, delegation, CVs and interviews, leadership, developing nursing intuition are covered as well as discussion about evidence based and reflective practice, direct entry into the community and developing confidence in practice. This book will help nurses and students develop into competent and confident practitioners. Written for newly qualified nurses by a nurse, therefore authentic. Case studies and quotes from nurses show readers that their thoughts and feelings are shared by others; this validation will reduce stress and uncertainty and give credibility. Humour and cartoons will make the text readable and fun to use. Hints, tips and practical advice will encourage the anxious graduate. Attractive 2 colour design will make the text more easily accessible.
