Wolfgang Guggemos

Newsies Viewing Guide:

The Disney Musical on Stage and Screen George Rodosthenous, 2017-06-29 The Disney Musical Critical Approaches on Stage and Screen is the first critical treatment of the corporation's hugely successful musicals both on screen and on the stage. Its 13 articles open up a new territory in the critical discussion of the Disney mega musical, its gender, sexual, and racial politics, outreach work, and impact of stage film and television adaptations. Covering early 20th-century works such as the first full-length feature film *Snow White and the Seven Dwarfs* (1937) to *The Lion King* Broadway's highest-grossing production in history and *Frozen* (2013), this edited collection offers a diverse range of theoretical engagements that will appeal to readers of film and media studies, musical theatre, cultural studies, and theatre and performance. The volume is divided into three sections to provide a contextual analysis of Disney's most famous musicals: DISNEY MUSICALS ON FILM, DISNEY ADAPTATIONS ON STAGE AND BEYOND, DISNEY MUSICALS GENDER AND RACE. The first section employs film theory, semiotics, and film music analysis to explore the animated works and their links to the musical theatre genre. The second section addresses various stage versions and considers Disney's outreach activities, cultural value, and productions outside the Broadway theatrical arena. The final section focuses on issues of gender and race, portraying representations of race, heteronormativity, masculinity, and femininity in *Newsies*, *Frozen*, *High School Musical*, *Aladdin*, and *The Jungle Book*. The various chapters address these three aspects of the Disney Musical and offer new critical readings of a vast range of important works from the Disney musical canon, including *Enchanted*, *Mary Poppins*, *Hunchback of Notre Dame*, *The Lion King*, and versions of musicals for television in the early 1990s and 2000s. The critical readings are detailed, open-minded, and come to surprising conclusions about the nature of the Disney Musical and its impact. **Working Backstage** Christin Essin, 2021-09-20 Places backstage workers in the spotlight to acknowledge their essential roles in creating Broadway magic.

Love Is Love Is Love Aaron C. Thomas, 2023-03-24 The politics of Broadway musicals matter a great deal more to U.S. American culture than they appear to mean, and they are especially important to mainstream politics surrounding sex, gender, and sexuality. *Love Is Love Is Love* looks to the Broadway musicals of the past decade for help understanding the current state of LGBTQ politics in the United States. Through analyses of *Promises, Promises*, *Newsies*, *Hedwig and the Angry Inch*, *The Color Purple*, and *Frozen*, this book attempts to move past the question of representational politics and asks us instead to think in more complex ways about LGBTQ identity, what LGBTQ politics are, and the politics of Broadway musicals themselves. Producing new complex readings of all five of these musicals, author Aaron C. Thomas places each of them within the context of the LGBTQ politics of their day. Some of the issues the book treats are controversies of casting, the closetedness and openness of musical theatre, LGBTQ identities, adaptation from movies into musicals, and the special power of the musical form by examining how these shows differ from the books and movies on which they're based. *Love Is Love Is Love* places contemporary LGBTQ political tensions and conversations in a new light, making this an essential companion for students and
