Newsroom Decision Making Under New Management:

Media Management Ann Hollifield, Jan LeBlanc Wicks, George Sylvie, Wilson Lowrey, 2015-08-11 Media Management A Casebook Approach provides a detailed consideration of the manager's role in today's media organizations highlighting critical skills and responsibilities Using media based cases that promote critical thinking and problem solving this text addresses topics of key concern to managers diversity group cultures progressive discipline training and market driven journalism among others The cases provide real world scenarios to help students anticipate and prepare for experiences in their future careers Accounting for major changes in the media landscape that have affected every media industry this Fifth Edition actively engages these changes in both discussion and cases The text considers the need for managers to constantly adapt obtain quality information and be entrepreneurial and flexible in the face of new situations and technologies that cannot be predicted and change rapidly in national and international settings As a resource for students and young professionals working in media industries Media Management offers essential insights and guidance for succeeding in contemporary media management roles *Innovation in the Media* Francisco J. Pérez-Latre, Alfonso

Sánchez-Tabernero, 2022-03-03 The media are at the end of a cycle and at the beginning of a new model that is still unpredictable For decades the industry enjoyed solid profits a certain tranquillity and clear rules The presence of high barriers to entry hindered the progress of competitors and several key markets were in fact oligopolies This book tells how a stable industry was buffeted by winds that seriously threatened its essential pillars Free access and Internet development caused a dramatic drop of the value of the contents The public could often find information and entertainment at no cost therefore beginning to move away from the media that were poorly differentiated and predictable in terms of subjects and approaches The authors do not restrict themselves to writing a chronicle of those transformations they deepen the causes and propose solutions In their view companies in the sector have lacked the discipline necessary to keep pace with innovation adapt to change and make learning a constant and priority activity The industry needs better leaders managers with vision who can take risks and break the monotonous cycle of systematic imitation of success formulas that already belong to the past

Media Management in the Age of Giants Dennis F. Herrick, 2012-08-15 The emergence of giant media corporations has created a new era in mass communications The world of media giants with a focus on the bottom line makes awareness of business and financial issues critical for everyone in the industry This timely new edition of a popular and successful textbook introduces basic business concepts terminology history and management theories in the context of contemporary events It includes up to date information on technology and addresses the major problem facing media companies today How can the news regain profitability in the digital age Focusing on newspaper television and radio companies Herrick fills his book with real life examples interviews with media managers and case studies In a time when all the rules are changing because of digital technology conglomeration and shifting consumer habits this text is a vital tool for

students and working journalists *Handbook of Media Management and Economics* Alan B. Albarran, Sylvia M. Chan-Olmsted, Michael O.
