Price, 1975 **Season of the Body** Brenda Miller, 2002 A memoir in essay form with the body as its central reference point *Next Year in Cuba: A Cubano's Coming of Age* Gustavo P rez Firmat, 1995-01-01 Gustavo P rez Firmat arrived in America with his family at the age of eleven Victims of Castro s revolution the P rez family put their life on hold waiting for Castro s fall Each Christmas along with other Cuban families in the neighborhood they celebrated with the cry Next year in Cuba Growing up in the Dade County school system and graduating from college in Florida P rez Firmat was insulated from America by the nurturing sights and sounds of Little Havana It wasn t until he left home to attend graduate school at the University of Michigan that he realized as the Cuba of his birth receded farther into the past he had become no longer wholly Cubano but increasingly a man of two heritages and two countries In a searing memoir of a family torn apart by exile P rez Firmat chronicles the painful search for roots that has come to dominate his adult life With one brother beset by personal problems and another embracing the very revolution that drove their family out of Cuba Gustavo realized that the words Next Year in Cuba had for him taken on a hollow ring Now married to an American woman and father to two children who are Cuban in name only P rez Firmat has finally come to acknowledge his need to celebrate his love of Cuba while embracing the America he has come to love

Unwitting Zionists Haya Gavish,2010 Unwitting Zionists examines the Jewish community in the northern Kurdistan town of Zakho from the end of the Ottoman period until the disappearance of the community through aliyah by 1951 Because of its remote location Zakho was far removed from the influence of the Jewish religious leadership in Iraq and preserved many of its religious traditions independently becoming the most important Jewish community in the region and

known as Jerusalem of Kurdistan Author Haya Gavish argues therefore that when the community was exposed to Zionism it began to open up to external influences and activity Originally published in Hebrew Unwitting Zionists uses personal memoirs historical records and interviews to investigate the duality between Jewish tradition and Zionism among Zakho s Jews Gavish consults a variety of sources to examine the changes undergone by the Jewish community as a result of its religious affiliation with Eretz Israel its exposure to Zionist efforts and its eventual immigration to Israel Because relatively little written documentation about Zakho exists Gavish relies heavily on folkloristic sources like personal recollections and traditional stories including extensive material from her own fieldwork with an economically and demographically diverse group of men and women from Zakho She analyzes this firsthand information within a historical framework to reconstruct a communal reality and lifestyle that was virtually unknown to anyone outside of the community Appendixes contain biographical details of the interviewees for additional background Gavish also addresses the relative merits of personal memoirs optimal interviewer interviewee relationships and the problem of relying on the interviewees memories in her study Folklore oral history anthropology and Israeli studies scholars as well as anyone wanting to learn more about religion community and nationality in the Middle East will appreciate Unwitting Zionists **PhilippianNotes** Greg
