Nez Perce Dictionary **Uc Publications In Linguistics:**

Nez Perce Dictionary Haruo Aoki, 2024-06-04 In this dictionary of the Nez Perce language linguist Haruo Aoki illustrates how each word is used by citing examples from published Nez Perce oral literature In addition Aoki retranscribes and incorporates words from earlier publications that are recognized by today's Nez Perce speakers The dictionary includes an English Nez Perce index appendixes listing phonosymbolic words and Nez Perce animal and plant names and illustrations from Nez Perce life Originally published in 1994 the Nez Perce Dictionary continues to be a reference and resource for new generations of speakers and scholars *The Languages and Linguistics of Indigenous North America* Carmen

Dagostino, Marianne Mithun, Keren Rice, 2023-12-18 This handbook provides broad coverage of the languages indigenous to North America with special focus on typologically interesting features and areal characteristics surveys of current work and topics of particular importance to communities The volume is divided into two major parts subfields of linguistics and family sketches The subfields include those that are customarily addressed in discussions of North American languages sounds and sound structure words sentences as well as many that have received somewhat less attention until recently tone prosody sociolinguistic variation directives information structure discourse meaning language over space and time conversation structure evidentiality pragmatics verbal art first and second language acquisition archives evolving notions of fieldwork Family sketches cover major language families and isolates and highlight topics of special value to communities engaged in work on language maintenance documentation and revitalization **Making Dictionaries** William Frawley, Kenneth C. Hill, Pamela Munro, 2002-10-03 A collection of essays about the theory and practice of Native American lexicography and more specifically the making of dictionaries by some of the top scholars working in Native American language studies

Deconstructing

Ergativity Maria Polinsky, 2016 Nominative accusative and ergative are two common alignment types found across languages In the former type the subject of an intransitive verb and the subject of a transitive verb are expressed the same way and differently from the object of a transitive In ergative languages the subject of an intransitive and the object of a transitive appear in the same form the absolutive and the transitive subject has a special ergative form Ergative languages often follow very different patterns thus evading a uniform description and analysis A simple explanation for that has to do with the idea that ergative languages much as their nominative accusative counterparts do not form a uniform class In this book Maria Polinsky argues that ergative languages instantiate two main types the one where the ergative subject is a prepositional phrase PP ergatives and the one with a noun phrase ergative Each type is internally consistent and is characterized by a set of well defined properties The book begins with an analysis of syntactic ergativity which as Polinsky argues is a manifestation of the PP ergative type Polinsky discusses diagnostic properties that define PPs in general and then

goes to show that a subset of ergative expressions fit the profile of PPs Several alternative analyses have been proposed to account for syntactic ergativity the book presents and outlines these analyses and offers further considerations in support of the PP ergativity approach The book then discusses the second type DP ergative languages and traces the diachronic connection between the two types The book includes two chapters illustrating paradigm PP ergative and DP ergative languages Tongan and Tsez The data used in these descriptions come from Polinsky s original fieldwork hence presenting new empirical facts from both languages **Subject Guide to Books in Print** ,1996 Dicourse-functional, and

California Indian Languages

Victor Golla,2022-02 Nowhere was the linguistic diversity of the New World more extreme than in California where an extraordinary variety of village dwelling peoples spoke seventy eight mutually unintelligible languages This comprehensive illustrated handbook a major synthesis of more than 150 years of documentation and study reviews what we now know about California s indigenous languages Victor Golla outlines the basic structural features of more than two dozen language types and cites all the major sources both published and unpublished for the documentation of these languages from the earliest vocabularies collected by explorers and missionaries to the data amassed during the twentieth century by Alfred Kroeber and his colleagues to the extraordinary work of John P Harrington and C Hart Merriam Golla also devotes chapters to the role of language in reconstructing prehistory and to the intertwining of language and culture in pre contact California societies making this work the first of its kind an essential reference on California s remarkable Indian languages **Whitaker's**

Books in Print ,1998 *Language in the Americas* Joseph Harold Greenberg,1987 This book is concerned primarily with the evidence for the validity of a genetic unit Amerind embracing the vast majority of New World languages The only languages excluded are those belonging to the Na Dene and Eskimo Aleut families It examines the now widely held view that Haida the most distant language genetically is not to be included in Na Dene It confined itself to Sapir s data although the evidence could have been buttressed considerably by the use of more recent materials What survives is a body of evidence superior to that which could be adduced under similar restrictions for the affinity of Albanian Celtic and Armenian all three universally recognized as valid members of the Indo European family of languages A considerable number of historical hypotheses emerge from the present and the forthcoming volumes Of these the most fundamental bears on the question of the peopling of the Americas If the results presented in this volume and in the companion volume on Eurasiatic are valid the classification of the world s languages based on genetic criteria undergoes considerable simplification **Handbook of**

Nez Perce Dictionary Uc Publications In Linguistics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nez Perce Dictionary Uc Publications In Linguistics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nez Perce Dictionary Uc Publications In Linguistics has opened up a world of possibilities. Downloading Nez Perce Dictionary Uc Publications In Linguistics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nez Perce Dictionary Uc Publications In Linguistics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nez Perce Dictionary Uc Publications In Linguistics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nez Perce Dictionary Uc Publications In Linguistics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nez Perce Dictionary Uc Publications In Linguistics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nez Perce Dictionary Uc Publications In Linguistics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Nez Perce Dictionary Uc Publications In Linguistics Books

1. Where can I buy Nez Perce Dictionary Uc Publications In Linguistics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
