Everyone, regardless of position or personality, can strengthen their presence. The Power of Presence shows how. When some people speak, everyone listens. When they need commitment to projects, others jump on board. They just seem to have that indescribable presence, a subtle magnetic field around them wherever they go, that signals authority and authenticity and attracts disciples with ease. Filled with strategies, exercises, and personal stories from years spent coaching leaders, communications expert Kristi Hedges explains how to: Build relationships based on trust; rid yourself of limiting behaviors; embody the values you are trying to convey; explore how others see you and correct misperceptions; communicate in a way that inspires.
