Deconstruct Faith, Discover Jesus Preston Ulmer,2023-06-06 What If Deconstructing Your Faith Isn t a Phase but a Holy Process There s probably a really good reason you picked up this book Are you desperate to be in relationship with family or friends who are questioning their faith Are you experiencing your own deconstruction of faith Here is your invitation to rethink everything you thought you knew In this process you ll learn why it s important to deconstruct and how we are wired to do it define deconstruction and deconversion what they really mean consider WWJD What Would Jesus Deconstruct and apply the FUSE method to deconstruct for yourself Deconstruct Faith Discover Jesus will help you to enter the mindset of a deconstructionist A worldview with a high capacity for paradoxes A mental space that outweighs your self interest in being right A tendency to see Christian beliefs as inseparable from Christian ethics In doing so you will find the original deconstructionist Jesus right beside you [Performing Early Christian Literature](#) Kelly Iverson,2021-10-07 Scholars of early Christian literature acknowledge that oral traditions lie behind the New Testament gospels While the concept of orality is widely accepted it has not resulted in a corresponding effort to understand the reception of the gospels within their oral milieu In this book Kelly Iverson reconsiders the experiential context in which early Christian literature was received and interpreted He argues that reading and performance are distinguishable media events and significantly that they produce distinctive interpretive experiences for readers and audiences alike Iverson marshals an array of methodological perspectives demonstrating how performance generates a unique experiential context that shapes and informs the interpretive process Iverson s study explores the dynamic oral environment in which ancient audiences experienced the gospel stories He shows why an understanding of oral performance has important implications for the study of the NT as well as for several issues that are largely unquestioned by biblical scholars [Jesus the Storyteller](#) Stephen Wright,2014-05-15 If you are thinking What another book on the parables then think again Here s a single volume that judiciously surveys parables research sketches the significance of Jesus parables for each of the synoptic Gospels analyzes the importance of the parables for understanding Jesus ministry and discusses how these parables would have been heard in their own contexts all of this in readable prose that is fully conversant with scholarly discussion without bogging us down in that discussion It is hard to imagine a better introduction to Jesus parables than Stephen Wright s new book but it also makes a welcome contribution with its emphases on story and narrative Joel B Green Professor of New Testament Interpretation Fuller Theological Seminary [Hide and Seek](#) Benson P. Fraser,2020-07-21 As bearers of the divine image all of us are storytellers and artists However few people today believe in truth that is not empirically knowable or verifiable the sort of truth often trafficked through direct forms of communication Drawing on the works of S ren Kierkegaard Benson P Fraser challenges this penchant for direct forms of knowledge by introducing the indirect approach which he argues conveys more than mere knowledge but the capability to live out what one takes to be true Dr Fraser suggests that stories aimed at the heart are powerful

instruments for personal and social change because they are not focused directly on the individual listener rather they give the individual room or distance to reconsider old meanings or ways of understanding Indirect communication fosters human transformation by awaking an individual to attend to images or words that carry deep symbolic force and that modify or replace one's present ways of knowing and ultimately make one capable of embodying what he or she believes Through an examination of the indirect approach in Kierkegaard Jesus C S Lewis and Flannery O Connor Fraser makes a strong case for the recovery of indirect strategies for communicating truth in our time **The Robe** Lloyd C.
