It Takes a Counter-Revolution Larry Klayman Esq., 2022-03-15 With a title that again satirically mocks It Takes a Village by Hillary Clinton It Takes a Counter Revolution Wake Up America is the sequel to It Takes a Revolution

Forget the Scandal Industry as the nation has now been wholly taken over by the radical left Like Revolution this book details how our executive legislative and judicial branches of government have become thoroughly corrupt and failed the citizenry but offers new and more drastic solutions given the deepening crises that have in the last year alone enmeshed the republic in a march to socialism communism atheism and godless radical leftist ideologies of all types Emphasizing again that Americans must turn away from the scandal industry of the cable news networks which enrich themselves by magnifying crises if not creating mass panic to boost ratings and advertising dollars the author Larry Klayman the founder of both Judicial Watch and Freedom Watch now advocates for declaring independence from our current government which he chronicles as terminally ill after experiencing and suffering the corrosive destructive effects of the Biden Harris regime Quoting Founding Fathers like John Adams and Thomas Jefferson Klayman argues that the people must harken back to July 4 1776 when under the laws of nature and Nature s God rather than the laws of the state the colonies faced with a king far less harmful than our present rulers were left with no choice but to declare and form a new nation What we now need Klayman argues is not a new nation but a new government with new righteous leaders and new political parties offering an alternative to the citizenry over what now rules over them in a virtual leftist dictatorship with little to no sincere and honest Republican opposition This work is a call to arms during these times of crises when government deceit exploitation corruption and dictatorial control over the people have created a virtual noose around our collective necks The overriding message of It Takes a Counter Revolution Wake Up America is that Americans must stop wishfully hoping for the best get up off of the couch take calculated risks and actively join the counter revolution albeit a peaceful and legal one to restore the liberty that once made our nation great Our continued existence as a once God fearing and free republic now hangs in the balance with no time to lose
