Tok Trending In The Us Returns:

TikTok Cultures in the United States Trevor Boffone, 2022-04-03 TikTok Cultures in the United States examines the role of TikTok in US popular culture paying close attention to the app's growing body of subcultures Featuring an array of scholars from varied disciplines and backgrounds this book uses TikTok sub cultures as a point of departure from which to explore TikTok's role in US popular culture today Engaging with the extensive and growing scholarship on TikTok from international scholars chapters in this book create frameworks and blueprints from which to analyze TikTok within a distinctly US context examining topics such as gender and sexuality feminism race and ethnicity and wellness Shaping TikTok as an interdisciplinary field in and of itself this insightful and timely volume will be of great interest to students and scholars of new and digital media social media popular culture communication studies sociology of media dance gender studies and performance studies *Geschichte auf Instagram und TikTok* Mia Berg, Andrea Lorenz, Kristin

Oswald, 2025-10-01 Instagram und TikTok zählen zu den populärsten sozialen Medien auch für geschichtsbezogene Inhalte Das zeigen nicht zuletzt die große Zahl und mitunter sehr hohen Reichweiten von Geschichtsdarstellungen auf den beiden Plattformen die von Nostalgie über KI Videos historischer Personen oder verfallschende Inhalte bis hin zu Wissenschaftskommunikation reichen Der Band bietet als erste umfangreiche Bestandsaufnahme einen Einblick in diese Vielfalt von Geschichte auf Instagram und TikTok Ausgehend von dem Citizen Science Projekt SocialMediaHistory vereint er Perspektiven aus Wissenschaft und Praxis auf Inhalte Medienspezifika Akteur:innen Nutzungsbedingungen und Möglichkeiten der Erforschung digitaler Geschichtsdarstellungen Diese werden theoretisch sowie anhand konkreter Beispiele zu verschiedenen Epochen und Themen betrachtet Hinzu kommen Interviews und Beiträge in denen Creator:innen hinter institutionell sowie privat betriebenen Geschichtskonten von ihren Ansätzen und Erfahrungen berichten Der Band schafft eine Grundlage für eine breite Annäherung an das Spektrum geschichtsbezogener Auseinandersetzungen auf Instagram und TikTok und will damit zur Reflexion und Diskussion audiovisueller sozialer Medien in Geschichtswissenschaft Public History und weiteren Disziplinen einladen **Musicking TikTok** Juan Bermúdez, 2024-12-12 This ethnographic work about TikTok's musicking in a global Austrian context complements and builds upon ethnomusicological assumptions theories and methods for the study of musical practices in digital spaces An overview of elements that make up TikTok's interface as well as the technical performative possibilities that it allows this book introduces a general categorization of existing performance types and how TikTok users appropriate the platform to make their music It illustrates how some TikTok users became aware of and began using TikTok and it reviews some of the different strategies TikTok users apply to learn how to use the application and successfully develop their performances Bermúdez explores how performers move from being ordinary users to becoming TikTok users developing and performing an identity he calls TikTok Persona Moreover he discusses how some TikTok practices can and have occurred across multiple interconnected platforms and he examines how localities are articulated and

negotiated in these contexts Berm dez argues for an understanding of musicking as a multimedia practice that different actors create and experience individually in everyday synchronous and asynchronous physical and digital situations The so called TikTokers create a sense of identity and community through their performances This study suggests that a digital performance can be aside from a representation of reality an integral part of it serving as a fundamental space for constructing and performing identity

Mis/Disinformation and Democratic Society Melissa Zimdars,2025-06-16

Drawing on a variety of perspectives and methodologies this collection explores the intricate relationship between mis and disinformation and the functioning of democratic society This book seeks to show how mis and disinformation is destabilizing our collective confidence in institutions fundamental to the functioning of democratic society including our electoral processes our perceptions of trust in government officials and institutions our healthcare education economic and media systems and even our communities and interpersonal relationships Topics covered in this book include the role of Artificial Intelligence in automating deception how financial crises and journalistic norms in the news industry create favorable conditions for the amplification and laundering of political disinformation and how our emotional states impact our susceptibility to misinformation Throughout the authors provide nuanced definitions of key terms such as conspiracy theory and digital democracy which help level the field for future research Mis Disinformation and Democratic Society is recommended reading for researchers and advanced scholars in this dynamic area of study

Thinking Bigger Sarah Dusek,2024

The paucity of women led start ups to reach the same stratospheric levels of funding growth and annual revenue achieved by many of the new businesses founded by men is

staggering The lack of female representation among the top earning founders is all the more surprising when compared to the number of women who do start businesses So many women would love to build something great but don't know the rules of the game They want real practical usable tools to help them make big things happen This book aims to bridge the gap between knowledge and practice empowering women to secure funding and thrive in big business and finance Sarah Dusek delves into the art and science of creating a winning pitch deck from crafting a compelling story to using data and design to make a lasting impact She offers real life examples from other female entrepreneurs and stories from her own journey both as an entrepreneur and now as an investor in other women's businesses Thinking Bigger is for women entrepreneurs around the world who want to think bigger and understand what it will take to get funded Increasing the number of women led businesses is not only beneficial for individual women entrepreneurs but is also critical for building a more equal diverse world The world is in desperate need of women entrepreneurs who will bring their unique perspectives to solving some of the world's biggest and most stubborn problems This book is a rallying cry to encourage women to think big to take their seats at the proverbial tables of power and to build their own tables if necessary

Dance in US Popular Culture Jennifer Atkins,2023-07-21 This innovative textbook applies basic dance history and theory to contemporary popular culture examples in order to examine our own ways of moving in and through culture By drawing on material relevant to students Dance in US Popular Culture successfully introduces students to critical thinking around the most personal of terrain our bodies and our identities The book asks readers to think about what embodied knowledge we carry with us and how we can understand history and society through that lens what stereotypes and accompanying expectations are embedded in performance related to gender and or race for instance how such expectations are reinforced negotiated challenged embraced or rescripted by performers and audiences how readers articulate their own sense of complex identity within the constantly shifting landscape of popular culture how this shapes an active sense of their everyday lives and how this can act as a springboard towards dismantling systems of oppression Through readings questions movement analyses and assignment prompts that take students from computer to nightclub and beyond Dance in US Popular Culture readers develop their own cultural sense of dance and the moving body s sociopolitical importance while also determining how dance is fundamentally applicable to their own identity This is the ideal textbook for high school and undergraduate students of dance and dance studies in BA and BfA courses as well as those studying popular culture from interdisciplinary perspectives including cultural studies media studies communication studies theater and performance studies Chapter 11 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4 0 license

The American Popular Dictionary Thomas D. Hurst,1879

The Fourth Intelligence Revolution Anthony Vinci,2025-10-28 A former senior intelligence officer reveals how espionage is being transformed by a new global intelligence race driven by AI and competition with China and how this impacts all of our lives The new global intelligence competition has brought espionage into our workplaces and our living rooms Adversaries like China Iran and Russia have realized that the human element is the weakest link in our industrial and political infrastructure As a result they target all of us stealing our financial data and medical records eavesdropping on our conversations and using platforms like TikTok and Hollywood movies to influence our opinions The Fourth Intelligence Revolution reveals how the undercover adventures of World War II the spy versus spy confrontations of the Cold War and the find fix and finish counterterrorism missions after 9 11 have given way to the most dangerous period of espionage yet This eye opening account exposes how intelligence now permeates every corner of society from economic espionage and genetic

data gathering to information operations targeting children through AI chatbots even extending to reconnaissance on the far side of the moon Both a warning and a call to action The Fourth Intelligence Revolution suggests that we are all in essence becoming intelligence officers and that citizens have both the power and responsibility to reclaim intelligence to safeguard and strengthen our democracy Der neue Online-Handel Gerrit Heinemann, 2025-12-01 Dieses Buch präsentierte
