[Exile Music](#) Jennifer Steil, 2020-05-05 Based on an unexplored slice of World War II history Exile Music is the captivating story of a young Jewish girl whose family flees refined and urbane Vienna for safe harbor in the mountains of Bolivia As a young girl growing up in Vienna in the 1930s Orly has an idyllic childhood filled with music Her father plays the viola in the Philharmonic her mother is a well regarded opera singer her beloved and charismatic older brother holds the neighborhood in his thrall and most of her eccentric and wonderful extended family live nearby Only vaguely aware of Hitler s rise or how her Jewish heritage will define her family s identity Orly spends her days immersed in play with her best friend and upstairs neighbor Anneliese Together they dream up vivid and elaborate worlds where they can escape the growing tensions around them But in 1938 Orly s peaceful life is shattered when the Germans arrive Her older brother flees Vienna first and soon Orly her father and her mother procure refugee visas for La Paz a city high up in the Bolivian Andes Even as the number of Jewish refugees in the small community grows her family is haunted by the music that can no longer be their livelihood and by the family and friends they left behind While Orly and her father find their footing in the mountains Orly s mother grows even more distant harboring a secret that could put their family at risk again Years pass the war ends and Orly must decide Is the love and adventure she has found in La Paz what defines home or is the pull of her past in Europe and the piece of her heart she left with Anneliese too strong to ignore [Heritage Signature Entertainment Memorabilia Auction #622](#) , [Women Writing Music in Late Eighteenth-Century England](#) Leslie Ritchie, 2017-07-05 Combining new musicology trends formal musical analysis and literary feminist recovery work Leslie Ritchie examines rare poetic didactic fictional and musical texts
