21st Century technology and a twenty four hour news cycle become lethal tools in the political black art of character assassination nothing is considered off limits In this political version of kill or be killed surrender is not an option and almost everyone has their price in the quest for the best justice money can buy From the hallowed chambers of the Supreme Court to the marble walls of the United States Senate to the expensive cocktail parties of Washington D C ruthless ambition and money create a combustible mix in a struggle for power that will not only determine the future of the Supreme Court but also the political survival of a President

Jesus Paid the Price Gene Burroughs, 2013-08 Remember the one who pays the price for something is the one who determines the value of what it is they are purchasing Jesus paid for you with His suffering pain death and blood therefore He values you more than His own life and God values you even more The Gospel According to Matthew was written by a former tax collector They were men with deserved reputations for being ruthless thieves despised by all A tax collector's income was largely created by overtaxation bribery and underhanded dealings The very fact that Jesus used such a man to be part of a team that completely transformed the world for all time should be of great consolation for all of us who have fallen short My prayer for you as you read this book would be that you understand the love grace mercy and commitment Jesus and our God has for you I believe that in doing so you will fall in love with Him as I and countless others have You will leave your guilt behind finding hope peace joy love and acceptance in Christ and walking in a freedom such as you have never known
