Management Communication James S. O'Rourke, 2019-04-18 This textbook introduces students to the strategic communication methods that are crucial to master in order to develop into effective and ethical managers at all levels of business. Effective communication skills are necessary for success in the business world and O'Rourke has written a highly readable book filled with anecdotes and examples to engage students in the learning process. This edition includes several classic and new features. The strategic approach is integrated throughout the book, allowing students to understand how a communicated message impacts the business as a whole. Case studies throughout the book provide students with hands-on experience of scenarios they will encounter in the real world. The book includes at least three dozen fresh classroom-tested cases. An ethical thread is woven through the text, demonstrating how ethical decision making can be applied in all aspects of communication. Separate chapters on technology, including social media, intercultural communication, nonverbal communication, and conflict management, provide students with the skills to building relationships and influencing stakeholders, key skills for any manager. A companion website includes comprehensive support material to teach this class, making *Management Communication* a complete resource for students and instructors. *Samsung Galaxy S7 For Dummies* Bill Hughes, 2016-05-13 Your fun and accessible user's guide to the Samsung Galaxy S7. Technology alone can be intimidating, and the printed documentation and online support that come with a new smartphone can be just as baffling. Thankfully, *Samsung Galaxy S7 For Dummies* is here to give you easy-to-follow guidance on all the features and capabilities of this exciting new device. From set-up and configuration to texting, emailing, and accessing the Internet, it leaves no stone unturned. Samsung dominates the global smartphone market, and users swear that once you go with the Galaxy S, you never turn back. From the most useful features to the core applications to the techniques to get the most out of the device, this book makes getting to grips with your Samsung Galaxy S7 a snap. Whether you're upgrading from an older model and need new feature details, switching over from another Android or Apple device, or finally trading in that antiquated flip phone, you're about to discover just how fast and easy it is to get up and running on your new smartphone. Maximize camera and video capabilities. Stay active with social media. Download apps and sync with a PC. Expand your phone's potential with new software releases. This is the handy reference you'll want to keep close by as you learn to get the most out of your Galaxy S7 smartphone. *Mystery Writers of America Presents Vengeance* Mystery Writers of America, Inc., 2012-04-03 When a different kind of justice is needed, swift, effective, and personal, a new type of avenger must take action. *Vengeance* features new stories by bestselling crime writers, including Lee Child, Michael Connelly, Dennis Lehane, and Karin Slagter, as well as some of today's brightest rising talents. The heroes in these stories include a cop who's seen too much, a woman who has been pushed too far, or just an ordinary person doing what the law will not. Some call them vigilantes; others claim they are just another brand of criminal. Edited and with an introduction by Lee Child, these stories reveal the shocking consequences when

men and women take the law into their own hands

America's Got Democracy! Danny Katch, 2012-09-28 A humorous but passionate look at the criminal silliness of the US political system from the author who has better comic bomb sights than John Stewart Mike Davis author of *The Monster at Our Door* In this raucous irreverent book Danny Katch diagnoses the various mental disorders peculiar to those who have way too much money and power and the politicians who work for them He shows how the very elections that are supposed to be our way of bringing about change have become a tool to get us to accept the insane status quo The funniest smartest and most dangerous political writer you never heard of is Danny Katch You'll laugh You'll get pissed off You'll disagree And you'll wonder how you read this terrific book in one sitting A welcome antidote to what passes for political writing in an election year Dave Zirin author of *Game Over How Politics Has Turned the Sports World Upside Down* From Cocoa Puffs to melting ice caps Danny Katch's *America's Got Democracy* gets to the heart of how and why our political establishment creates economic social and environmental crapification and he does it with a flair even the most disaffected caf barista with a PhD will love But if you enjoy reading dry abstract political works in which the words go clapping across the page on little wooden feet don't read Katch's book Sherry Wolf author of *Sexuality and Socialism* Guess what It's even more boring reading it than talking about it Lila Katch seven years old

Hitchhiking in America: Using the Golden Thumb Dale

Carpenter, 2013-08-31 Though it tends to be looked down upon as a trivial activity confined to vagrants the feeble minded sex maniacs and serial killers hitchhiking needs to be re valued as a means to an end transportation and self education and as an end in itself as suggested by Jack London's wonderful paragraphs quoted at the top of p 35 This is a source book not just a casual handbook and by its appeal to a long tradition it gives hitchhiking well deserved stature People have been hitchhiking since the first vehicle probably a raft was invented Odysseus hitchhiked St Paul hitchhiked anyone who hitchhikes today is keeping alive an ancient and honorable tradition and your book will help readers put modern hitchhiking into its particularly American context Prof Daniel H Garrison Department of Classics Northwestern University Presenter of a lecture that students refer to as Hitchhiking as an Art Form
