The story of the most effective attention algorithm ever invented and the superpower struggle to control it Every Screen on the Planet is the first major book on one of the most dramatic business stories of our time Touching on politics finance data and technology the struggle over TikTok has enormous implications for

our information landscape and the technological cold war between the United States and China Emily Baker White's engrossing narrative charts TikTok's rise from obscurity into the world's most valuable startup led by its ambitious founder Zhang Yiming arguably the father of the modern recommendation algorithm Zhang's products reshaped the global internet from a place where you searched for information to one where information came to you TikTok seemed to know its users in an almost spooky way provoking wonder and delight People were hooked We intend to become ubiquitous a new hire training video said to put TikTok on every screen on the planet But virtually everything about TikTok's users their interests locations and even their unspoken desires was accessible to staff in Beijing After Baker White a Harvard trained lawyer and investigative reporter revealed that Chinese engineers could access Americans private information a team of employees used the app to track her location and attempt to expose whistleblowers This incident triggered an ongoing criminal investigation and escalated the US government's fight against Chinese tech TikTok was the first Chinese app to become a US juggernaut and lawmakers soon recognized its potential for surveillance and propaganda and the threat it might pose in the hands of their rivals Yet even as hawks in Congress gained support to ban the app the White House was secretly negotiating for unprecedented control over its information stream In 2025 when President Donald Trump declined to enforce the so called ban law TikTok seemed to complete a miraculous corporate escape It retained its influence profits and power but now operated at the pleasure of two strongmen China's Xi Jinping and Trump himself

The Cycle of Collapse Vansh Kunal Shah, 2025-09-20 WHAT IF EVERYTHING YOU'VE BEEN TOLD ABOUT PROGRESS IS A LIE From trillion dollar illusions to ecological collapse from Silicon Valley's false messiahs to the crumbling of truth itself The Cycle of Collapse doesn't offer comfort It offers clarity This is not a conspiracy theory It's the anatomy of a system devouring itself With the precision of a fact checker and the fire of lived experience Vansh Kunal Shah takes us across empires and ideologies unmasking how every collapse follows a script unchecked greed media manipulation denial and silence We are not living through a unique crisis We are repeating the oldest one This is a book for the disillusioned the betrayed and the quietly furious For a generation raised on promises of freedom and prosperity only to wake up in debt distraction and disaster This is for everyone who looked around and asked WHY DIDN'T ANYONE STOP IT The answer WE NEVER LEARN BUT NOW WE MUST
