When a Stranger Comes to Town Michael Koryta, 2021-04-20 ANTHONY AWARD FINALIST FOR BEST ANTHOLOGY Including NYT bestselling author Michael Connelly's story Avalon soon to be adapted for television by David E Kelley The very best of what crime fiction should deliver New York Journal of Books The latest Mystery Writers of America story collection featuring surprising page turning twists on the genre from some of the top bestsellers and award winners in crime fiction It's been said that all great literature boils down to one of two stories a man takes a journey or a stranger comes to town While mystery writers have been successfully using both approaches for generations there's something undeniably alluring in the nature of a stranger the uninvited guest the unacquainted neighbor the fish out of water No matter how or where they appear strangers are walking mysteries complete unknowns in once familiar territories who disrupt our lives with unease and wonder In the newest collection of stories by the Mystery Writers of America each author weaves a fresh tale surrounding the eerie feeling that comes when a stranger enters our midst featuring stories by prolific mystery writers such as Michael Connelly Dean Koontz and Joe Hill

Literature and Social Media Bronwen Thomas, 2020-01-31 From Instapoetry to BookTube contemporary literary cultures and practices are increasingly intertwined with social media In this lively and wide ranging study Bronwen Thomas explores how social media provides new ways of connecting with and rediscovering established literary works and authors while also facilitating the emergence of unique and distinctive forms of creative expression The book takes a 360 approach to the subject combining analysis of current forms and practices with an examination of how social media fosters ongoing collaborative discourse amongst both informal and formal literary networks and demonstrating how the participatory practices of social media have the potential to radically transform how literature is produced shared and circulated The first study of its kind to focus specifically on social media Literature and Social Media provides a timely and engaging account of the state of the art while interrogating the rhetoric that so often accompanies discussion of the new in this context

Mediation and Multimodal Meaning Making in Digital Environments Ilaria Moschini, Maria Grazia Sindoni, 2021-11-15 This collection explores the mediation of a wide range of processes texts and practices in contemporary digital environments through the lens of a multimodal theory of communication Bringing together contributions from renowned scholars in the field the book builds on the notion that any form of digital communication inherently presents a rich combination of different semiotic modes and resources as a jumping off point from which to critically reflect on digital mediation from three different perspectives The first section looks at social and semiotic practices and the implications of their mediation on artistic production cultural heritage and commerce The second part of the volume focuses on dynamics of awareness cognition and identity formation in participants to digitally mediated communicative processes The book's final section considers the impact of mediation on shaping new and different types of textualities and genres in digital spaces The book will be of particular interest to scholars researchers and students in multimodality digital

communication social semiotics and media studies

Cantrell, 2020-09-17 In this thrilling heist by New York Times bestseller Rebecca Cantrell dogtrainer Ada and her fellow jewelry thieves try to steal a four million dollar ring but things don't go as planned for some Her good boy Flames is the real star of the show with his training and broad appetite fitting right in as the centerpiece of their band of thieves The actress Ada the hot one Jasper the planner Silas and the dog Flames Not exactly your typical heist crew but see if their experience and skill are a match for Nigel and the potent defenses of one of Los Angeles's most affluent Tiffany's First published in Alfred Hitchcock's Mystery Magazine **Narratives, Nerdfighters, and New Media** Jennifer Burek Pierce, 2020-11-15 For decades we've been warned that video killed the radio star and more recently that social media has replaced reading Nerdfighteria a first of its kind online literary community with nearly three million members challenges these assumptions It

is the brainchild of brothers Hank and John Green who provide literary themed programming on their website and YouTube channel including video clips from John a best selling author most famous for his young adult book *The Fault in Our Stars*. These clips not only give fans personal insights into his works and the writing process writ large they also provide unique access to the author inspiring fans to create their own fan art and make connections with one another. In the twenty first century reading and watching videos are related activities that allow people to engage with authors and other readers. Whether they turn to *The Fault in Our Stars* or titles by lesser known authors Nerdfighters are readers. Incorporating thousands of testimonials about what they read and why Jennifer Burek Pierce not only sheds light on this particular online community she also reveals what it tells us about the changing nature of reading in the digital age. In Nerdfighteria we find a community who shows us that being online doesn't mean disinterest in books.

Focus On: 100 Most Popular American Internet Celebrities Wikipedia contributors, [Influence and Behavior Analysis in Social Networks and Social Media](#) Mehmet Kaya, Reda Alhajj, 2018-12-11 This timely book focuses on influence and behavior analysis in the broader context of social network applications and social media. Twitter accounts of telecommunications companies are analyzed. Rumor sources in finite graphs with boundary effects by message passing algorithms are identified. The coherent state of the art collection of chapters was initially selected based on solid reviews from the IEEE ACM International Conference on Advances in Social Networks Analysis and Mining ASONAM 17. Chapters were then improved and extended substantially and the final versions were rigorously reviewed and revised to meet the series standards. Original chapters coming from outside of the meeting round out the coverage. The result will appeal to researchers and students working in social network and social media analysis.

White Feminism Koa Beck, 2021-01-07 Koa Beck writes with passion and insight about the knotted history of racism within women's movements and feminist culture past and present. Curious, rigorous and ultimately generous, *White Feminism* is a pleasure and an education. Rebecca Traister, New York Times bestselling author of *Good and Mad*, Intellectually smart and emotionally intelligent, Beck brilliantly articulates how feminism has failed women of colour and non binary people. She illuminates the broad landscapes of systemic oppression and demands that white feminism evolve lest it continue to be as oppressive as the patriarchy. Patrisse Khan Cullors, cofounder of Black Lives Matter, author of *When They Call You a Terrorist* and joint recipient of the Sydney Peace Prize. Don't judge this book by its cover. Koa Beck knows that feminism includes all women and girls by definition and is writing to overcome anti feminist divisions that divide and defeat us. Gloria Steinem. A timely and impassioned exploration of how our society has commodified feminism and continues to systemically shut out women of colour. Join the important conversation about race, empowerment and inclusion with this powerful new feminist classic and rousing call for change. Koa Beck, writer and former editor in chief of *Jezebel*, boldly examines the history of feminism from the true mission of the suffragettes to the rise of corporate feminism with clear eyed scrutiny and meticulous detail. She also examines overlooked communities including Native American, Muslim, transgender and more and

their difficult and ongoing struggles for social change In these pages she meticulously documents how elitism and racial prejudice has driven the narrative of feminist discourse She blends pop culture primary historical research and first hand storytelling to show us how we have shut women out of the movement and what we can do to change things for a new generation Combining a scholar s understanding with hard data and razor sharp cultural commentary *White Feminism* is a witty intelligent and profoundly eye opening book that will challenge long accepted conventions and completely upend the way we understand the struggle for women s equality
