When the NHL Invaded Japan Steve Currier, 2022-07-08 When the NHL announced in early 1976 that its two worst teams the Washington Capitals and Kansas City Scouts would travel to Japan for a four game exhibition series dubbed the Coca Cola Bottlers Cup fans and media were baffled The Capitals and the Scouts were both expansion teams with a combined 46 wins 236 losses and 38 ties in their first two seasons stats made more dismal when considering seven of those wins were against each other Yet lagging so hopelessly behind the rest of the NHL they were perfect for a one off event on the other side of the globe The series was an eye opening success Players skated on an Olympic swimming pool ringed with rickety boards hung with fishing nets that boomeranged pucks into their faces as curious Japanese fans gasped at the gap toothed Canadians wrestling on the ice Filled with rare photos and player recollections this book tells the story of how two league doormats became hockey heroes half way around the world

The Next One Ken Reid, 2025-10-21 Behind the scenes to hockey s hidden superstars the scouts who chase teenage prodigies and might never bes across North America and around the world If you attend any junior minor or professional hockey game and you ll spot them often up in the rafters alone busily taking notes and calling their general managers These are the scouts the men and women who have made the job into a lifestyle chasing players across borders working the locals chatting with retired hockey people and visiting remote communities in hopes of finding the next one Yes they scout the likes of Connor McDavid and Connor Bedard and even Wayne Gretzky but scouts really make their mark by finding players who will fit in up and down the lineup the scorer having trouble finding the net the goalie who stands on her head to keep her team in the game the quiet winger who arrives at the rink first and leaves last Scouts don t just birddog talent they evaluate character and grit and drive looking for players who can play even a handful of games in the bigs Hockey s favourite raconteur Ken Reid tells us all about this secret club One scout found himself squeezed into a small car with a bunch of other scouts including Hall of Fame goalie Glenn Hall Former NHLer and pro scout Rick Knickle followed Jordin Tootoo of remote Rankin Inlet even though Tootoo didn t start playing the game until he was eleven years old One scout worked at a maximum security prison only to find himself as a pro scout Another scout went from a farmer who tried his hand at scouting to being a scout who happened to own a farm And Reid takes us behind the scenes at the nascent PWWHL where teams furiously scouted their starting lineups with only a few weeks before the season began Always entertaining often illuminating and sometimes hilarious The Next One is the ideal book for anyone who wants to understand hockey beyond the ice
