PayPal. Do Successful Entrepreneurs Prefer Effectual or Traditional Management Theories? Sebastian Melzer, Fabian Hainke, 2017-11-02 Studienarbeit aus dem Jahr 2017 im Fachbereich BWL Unternehmensführung Management Organisation Linnaeus University Sprache Deutsch Abstract The primary goal of this paper is to evaluate if experienced and highly successful entrepreneurs like Elon Musk prefer to use the logic of effectuation theory during their own entrepreneurial processes or if they are favoring the traditional causally shaped management theories The authors therefore firstly give the reader a brief introduction to the five principles of the effectuation theory Moreover they apply the principles on the entrepreneurial process of PayPal as a representative example of the entrepreneurial career of Elon Musk to verify the application of the principles The entrepreneurial process of PayPal is thereby illustrated in the form of a narrative representing a synthesis of various trustworthy sources The findings of the paper show that there are indications for both effectuation and causal logic but it is effectual reasoning which was predominantly used during the venture creation The value of the paper is that it shows precisely how the effectuation theory was used during the whole entrepreneurial process and contributed to the successful establishment of PayPal Therefore it can be regarded as a role model and thus help other entrepreneurs to adopt this theory on their business development processes *Starting an Online Business All-in-One For Dummies* Shannon Belew, Joel Elad, 2011-12-06 A guidebook for electronic entrepreneurs covers business plans financing server hardware site design Internet marketing and customer service **Xero For Dummies** Heather Smith, 2017-02-07 Take your books to the cloud with the ultimate guide to Xero Xero For Dummies is your one stop resource for working with this revolutionary accounting software Whether you re brand new to Xero or converting from another program you ll get up and running in a flash if you re already using Xero this book will show you how to take advantage of the software s full functionality Easy to use and deceptively powerful Xero is so much more than a spreadsheet manage inventory simplify accounts and organise suppliers customers and more Automatic imports intuitive coding and seamless synching across multiple business platforms gets the paperwork done quickly so you can get back to running your business This new third edition includes coverage of the newest features including updates on payroll purchase orders reporting and inventory so you can optimise your system to help your business thrive Xero s cloud based single ledger accounting system is user friendly and efficient but expert guidance will help you get the absolute most out of the software s features and functionality This book shows you every nook and cranny with screenshots and best practices so you can let Xero handle the books while you focus on running your business Fine tune your set up or convert from another accounting program Manage daily activities with contacts accounts sales and payables Master weekly and monthly reporting routines Track inventory monitor your business and get the most out of Xero You didn t start your business in order to become an accountant but bookkeeping is critically important to the short and long term health of your company Xero simplifies the process and saves you time and Xero For
