Digital Textualities and Spaces in ELT Theresa Summer, Ralf Gießler, 2025-03-31 The digital world opens up a vast number of spaces such as immersive virtual reality digital book corners and discourses marked by hashtags In this volume we argue that digital spaces and textualities should play a more central role in English language teaching and learning ELT emphasising their multimodal and interactive nature as a means of engaging with different layers of meaning in the target language Digital spaces function as contact zones where readers and writers communicate negotiate experiences and shape collective identities Within these spaces digital textualities create opportunities for competence development across various language related domains fostering a critical engagement with texts Bringing together theoretical insights conceptual developments and case studies this volume explores the potential of digital spaces and textualities for ELT while addressing their practical implications

Reading for Pleasure: International Perspectives Teresa Cremin, Sarah McGeown, 2025-03-19 Growing evidence of the vital role reading for pleasure plays in children and young people's academic outcomes and socio emotional wellbeing has placed it high on the agenda in both educational policy and practice This valuable collection draws upon a range of disciplinary perspectives and methodological approaches to explore how reading for pleasure is experienced and enacted and highlights the implications and benefits of such volitional reading in the lives and learning of children and young people It offers contributions from leading international researchers on current evidence and literature within the field identifying the causes and consequences of reading for pleasure and framing this within the context of understanding readers and applying this to developing effective pedagogical practices With chapters examining how we may shape the reading experience this book is divided into four sections Understanding readers including factors such as motivation gender and identity The nature of texts including fiction sensory and digital texts Pedagogies and practices exploring agency book talk and reading aloud Environments conducive to reading for pleasure including homes school libraries classrooms and communities Presenting diverse and interdisciplinary perspectives this will be a key text for researchers teacher educators and policy makers who wish to become better informed in their thinking discourse and practice when supporting children and young people in learning to read for pleasure

The Reading Lives of Teens Chin Ee Loh, 2024-11-04 In these changing times of global flows of media and technologies and reports of declining reading enjoyment researchers policymakers and educators need to engage anew with essential issues of what counts as reading what kinds of reading matter and how to support teen reading engagement in school and out of school settings Bringing together contributions from well known and emerging adolescent literacy researchers from different disciplinary perspectives this edited collection consolidates contemporary research on teens volitional print and digital reading whether in school or out of school contexts The first part of the book offers overviews of what teens are reading followed by chapters on community support on reading and new ways of researching teen reading With chapters from North America Europe

Australia Asia and the Middle East the collection will offer multifaceted and complex insights into what how and why teens read in different contexts Reflection questions at the end of each chapter encourage readers to consider how the research can be applied in their own research policy and practice contexts This book will be of interest to researchers policymakers and educators who are invested in supporting adolescent engaged reading with evidence based policies and strategies

Young Professionals in Publishing - Nachwuchskräfte im Verlagswesen Lisa Gürtler,Joanna Rietl,Laura Marie Zinganell,2025-04-28 This book provides an overview of the current developments in the publishing industry and demonstrates the role that young professionals play in this field Publishers are confronted with a variety of trends and challenges including the influence of social media digitalisation and the use of rapidly changing technologies as well as new business models and evolving professional profiles within the publishing industry itself Due to their digital affinity among other things young professionals represent a significant potential source of strategic advantage for the publishing industry However what expectations do young people have of the labour market and how can an attractive working environment and job offer be created to attract and retain young professionals This book written by students who understand the challenges first hand provides answers to these questions offers clear recommendations for HR professionals as well as publishers and demonstrates how both sides can benefit from each other in the future Young Professionals in Publishing was written with the support of GPT and translated into German It was created as part of a university course at Johannes Gutenberg University Mainz and Edinburgh Napier University Dieses Buch bietet einen Überblick über aktuelle Entwicklungen in der Verlagsbranche und zeigt auf welche Rolle Nachwuchskräfte hierbei spielen Verlage sehen sich mit einer Vielzahl von Trends und Herausforderungen konfrontiert vom Einfluss der sozialen Medien über die Digitalisierung und den Einsatz sich schnell verändernder Technologien bis hin zu neuen Geschäftsmodellen und Berufsprofilen innerhalb des Verlages selbst Nachwuchskräfte bringen und auch durch ihre digitale Affinität viele Potenziale mit die die Verlagsbranche strategisch für sich nutzen kann Doch welche Erwartungen haben junge Menschen an den Arbeitsmarkt und wie können ein attraktives Arbeitsumfeld und Angebot geschaffen werden um Berufseinsteigerinnen zu gewinnen und zu halten Dieses Werk verfasst von Studierenden die die Herausforderungen aus erster Hand kennen liefert Antworten auf diese Fragen bietet klare Handlungsempfehlungen für HR Verantwortliche sowie Verlage und zeigt wie beide Seiten in Zukunft voneinander profitieren können Das Buch wurde mit Unterstützung von GPT geschrieben und ins Deutsche übersetzt Es entstand im Rahmen eines Universitätsseminars an der Johannes Gutenberg Universität Mainz und der Edinburgh Napier University *Children's Literature and Culture* Rebecca Rowe,2025-08-08 Children's Literature and Culture An Introduction guides readers in the study of culture in around and through children's literature Children's literature has long been used as a mechanism by which a culture passes its values from one generation to the next Because of this culturally didactic purpose children's literature can be viewed as one of the most fruitful areas of study of any given culture At the same time studying the cultures

from which works of children's literature emerge and in which they circulate can also help better understand not only the ideas of childhood that underpin individual texts for children but the role they play in the construction and transmission of different cultural ideologies. This book teaches readers this double work of using culture to understand children's literature and vice versa. This volume traces the scholarly methodologies and histories that have attended the study of each of the 20 chapters given subject from the representation of race in and around children's literature to questions of censorship to how libraries can and do shape children's literature. In the process it prepares readers to confidently enter and forward scholarly debates and to teach such debates to their own students. *Stories for Reading Comprehension* Leslie Alexander Hill, 1992
