The Production of Global Web Series in a Networked Age Guy Healy, 2022-02-25 This book tells the story of diverse online creators women ethnic and racial minorities queer folk and those from hardscrabble backgrounds producing low budget high cultural impact web series which have disrupted longstanding white male domination of the film and TV industries Author Guy Healy addresses four burning problems faced by creators in the context of digital disruption along with potential solutions namely the sustainability of monetizing digital content and the rising possibility of middle class artistic careers algorithmic volatility the difficulty of finding people to share jealously guarded industry knowledge as traditional craft based mentoring and expertise sharing mechanisms break down and the lack of diversity and authenticity in high profile storytelling It includes nine case studies five drawn from a second wave of outstanding YouTube developed talent transitioning to longer form narrative most collaborating with established TV producers working across the divide between online and established television culture and all from under represented and or minority backgrounds The balance are film school and industry professionals leveraging YouTube in the same way including two Writers Guild of America new media award winners These storytellers leverage their social networks and chase sustainable careers by reaching audiences of subscription video on demand platforms and mainstream online broadcast in Australia and North America The Production of Global Web Series in a Networked Age is the first longitudinal study of this historic rapprochement between online and television cultures Four of the cases are in Emmy winning contexts and one in an Emmy nominated context Covering 2005 2021 the book reveals distinctive new forms of screen industry convergence with profound implications for creators careers the screen industry in general new media theory and broader cultural and social change It is essential reading for students academics and industry professionals working on the production and distribution of web series Übermacht im Netz Mag. Ingrid Brodnig, 2019-09-13 Im Internet geben große Plattformen den Ton an Rasant steuern wir auf eine Zukunft zu in der die Bürger ohnmächtig sind Unternehmen wie Facebook Google und Amazon haben enormen Reichtum an und zahlen so gut wie keine Steuern Im Eiltempo arbeiten diese digitalen Riesen an einem Umbau der Gesellschaft Ganze Branchen werden disruptiert und durch billigere Arbeitskräfte Software und Roboter ersetzt Der Mensch wird zur gewinnbringenden Datenquelle reduziert Doch wir können uns wehren Ingrid Brodnig hat Schauplätze des digitalen Wandels von Amazons Lagerhallen bis zum Silicon Valley besucht und liefert einen flammenden Appell für einen Neustart im Netz Ihr Buch hilft jedem einzelnen unfaire Mechanismen des Digitalzeitalters zu durchschauen Und es liefert konkrete Empfehlungen wie wir auch online Bürgerrechte verteidigen können Höchste Zeit ein gerechtes Internet einzufordern Invisible Rulers Renée DiResta, 2024-06-11 An essential and riveting Jonathan Haidt account of the small communities of propagandists revolutionizing politics culture and society Invisible Rulers is about a profound transformation in power and influence that is altering our politics our local government and even our relationships with friends and neighbors Today small communities of

propagandists increasingly shape public opinion and even control our relationship to the truth Our shared reality has splintered into discrete bespoke realities driven by algorithms influencers and curated content Very little can bridge the divide thereby making democratic consensus nearly impossible to achieve Ren e DiResta exposes how these propagandists and their followers undermine the institutions that make society work from anti vaccine zealots who flood social media with fringe viewpoints to influencers who use AI generated images to manipulate our perception of reality She also provides readers with a new conception of civics that helps us understand and fight back against these new invisible rulers *Social Media and the Post-Truth World Order* Gabriele Cosentino,2020-03-16 This book discusses post truth not merely as a Western issue but as a problematic political and cultural condition with global ramifications By locating the roots of the phenomenon in the trust crisis suffered by liberal democracy and its institutions the book argues that post truth serves as a space for ideological conflicts and geopolitical power struggles that are reshaping the world order The era of post truth politics is thus here to stay and its reach is increasingly global Russian trolls organizing events on social media attended by thousands of unaware American citizens Turkish pro government activists amplifying on Twitter conspiracy theories concocted via Internet imageboards by online subcultures in the United States American and European social media users spreading fictional political narratives in support of the Syrian regime and Facebook offering a platform for a harassment campaign by Buddhist ultra nationalists in Myanmar that led to the killing of thousands of Muslims These are just some of the examples that demonstrate the dangerous effects of the Internet driven global diffusion of disinformation and misinformation Grounded on a theoretical framework yet written in an engaging and accessible way this timely book is a valuable resource for students researchers policymakers and citizens concerned with the impact of social media on politics **Global esports** Dal Yong Jin,2021-03-25 Global esports explores the recent surge of esports in the global scene and comprehensively discusses people s understanding of this spectacle By historicizing and institutionalizing esports the contributors analyze the rapid growth of esports and its implications in culture and digital economy Dal Yong Jin curates a discussion as to why esports has become a global phenomenon From games such as Spacewar to Starcraft to Overwatch a key theme distinguishing this collection from others is a potential shift of esports from online to mobile gaming The book addresses why many global game players and fans play and enjoy online and mobile games in professional game competitions and therefore they investigate the manner in which the transfer to from and between online and mobile gaming culture is occurring in a specific subset of global youth The remaining focus identifies the major platforms used to enjoy esports including broadcasting and smartphones By analyzing these unexamined or less discussed agendas this book sheds light on the current debates on the growth of global esports culture *Web Application Security* Andrew Hoffman,2024-01-17 In the first edition of this critically acclaimed book Andrew Hoffman defined the three pillars of application security reconnaissance offense and defense In this revised and updated second edition he examines dozens of related topics from the latest types of attacks and

mitigations to threat modeling the secure software development lifecycle SSDL SDLC and more Hoffman senior staff security engineer at Ripple also provides information regarding exploits and mitigations for several additional web application technologies such as GraphQL cloud based deployments content delivery networks CDN and server side rendering SSR Following the curriculum from the first book this second edition is split into three distinct pillars comprising three separate skill sets Pillar 1 Recon Learn techniques for mapping and documenting web applications remotely including procedures for working with web applications Pillar 2 Offense Explore methods for attacking web applications using a number of highly effective exploits that have been proven by the best hackers in the world These skills are valuable when used alongside the skills from Pillar 3 Pillar 3 Defense Build on skills acquired in the first two parts to construct effective and long lived mitigations for each of the attacks described in Pillar 2

Performing for the Don Hank Willenbrink, 2023-11-23 This volume examines the intersection of political power and religion during the presidency of Donald Trump through an examination of performance This study begins with an examination of white evangelical Christian support for Trump through readings of the 2018 film *The Trump Prophecy* based on a book of the same name and *The Faith of Donald J. Trump* a spiritual biography of the former president by veteran Christian reporters David Brody and Scott Lamb White evangelicals Christianized Trump during his run for office in 2016 and Trump's ascension to the presidency broke down barriers between church and state in service of dominionistic Christian aims This exploration then looks at the conservative Catholicism through an exploration of *Heroes of the Fourth*

Turning a finalist for the 2019 Pulitzer Prize for Drama by Will Arbery and Rod Dreher's *The Benedict Option* While Trump's connection to evangelicals is well documented conservative Catholics like Attorney General Bill Barr and Supreme Court Justice Amy Coney Barrett took on pivotal roles during the Trump administration demonstrating the significance of conservative Catholicism to his presidency The author finally examines the cult of Trump on the internet by interrogating the performance of spirituality in pro Trump conspiracy theories like QAnon This book will be of great interest not only to theatre and performance studies scholars but also scholars with interests in political and religious studies

Immersion and Participation in Punchdrunk's Theatrical Worlds Carina E. I. Westling, 2020-05-14 Longlisted for the PQ Best Publication Award in Performance Design Scenography 2023 *Immersion and Participation in Punchdrunk's Theatrical Worlds* is a detailed account of the company's award winning productions and their historical context Examining Punchdrunk's role as pioneers of immersive theatre in the UK through a range of their productions including *Sleep No More* and *The Drowned Man* besides theatrical works such as *Faust* *The Duchess of Malfi* and *Kabeiroi* and cross platform productions like *The Moon Slave* *The Borough* and *The Oracles* the book presents an original framework for understanding immersion in theatrical and mixed reality experiences Central to the book is a study of how immersive experience is produced in interaction with physical and digital scenography for participatory audiences Through ethnographies of the company their designers actors producers and audiences the book interrogates the relationship between the aesthetics of interaction and the experience of immersion in Punchdrunk's work The theoretical framework that the book introduces affords analyses of material cultures and the influence of technology on interaction design in theatre and beyond and offers a blueprint for next generation immersive design and scenography for interactive multimedia environments

Edinburgh Companion to Science Fiction and the Medical Humanities Donna McCormack, Anna McFarlane, Gavin Miller, 2025-03-31 The medical humanities are becoming increasingly important as their first wave is interrogated by a critical approach that aims to uncover the wider possibilities of the field In conversation with this debate this volume explores the ways in which science fiction studies can contribute to such discussions Science fiction challenges techno optimism and offers a non realist avenue for the expression of illness experience Science fiction also estranges its readers from their societies and the medical possibilities inherent in those societies inviting consideration of how medicine may be complicit with or opposed to other structures of power By engaging these concerns this Companion volume offers a unique viewpoint on the power of the future to shape the present

Television Dramas and the Global Village Carolyn A. Lin, Diana I. Ríos, 2021-10-18 This book discusses the role of television drama series on a global scale analyzing these dramas across the Americas, Europe, Asia, Australia and Africa. Contributors consider the role of television dramas as economically valuable cultural products and with their depictions of gender roles, sexualities, race, cultural values, political systems and religious beliefs as they analyze how these programs allow us to indulge our innate desire to share human narratives in a way that binds us together and encourages audiences to persevere as a community on a global scale. Contributors also go on to explore the role of television dramas as a medium that indulges fantasies and escapism and reckons with reality as it allows audiences to experience emotions of happiness, sorrow, fear and outrage in both realistic and fantastical scenarios. Topics in Identification, Limited Dependent Variables, Partial Observability, Experimentation, and Flexible Modeling Ivan Jeliazkov, Justin Tobias, 2019-08-30 In honor of Dale J. Poirier, experienced editors Ivan Jeliazkov and Justin Tobias bring together a cast of expert contributors to explore the most up-to-date research on econometrics including subjects such as panel data models, posterior simulation and Bayesian models.

Generation Z Goes to College Corey Seemiller, Meghan Grace, 2015-12-28 Say Hello to Your Incoming Class! They're Not Millennials Anymore. Generation Z is rapidly replacing Millennials on college campuses. Those born from 1995 through 2010 have different motivations, learning styles, characteristics, skill sets and social concerns than previous generations. Unlike Millennials, Generation Z students grew up in a recession and are under no illusions about their prospects for employment after college. While skeptical about the cost and value of higher education, they are also entrepreneurial, innovative and independent learners concerned with effecting social change. Understanding Generation Z's mindset and goals is paramount to supporting, developing and educating them through higher education. *Generation Z Goes to College* showcases findings from an in-depth study of over 1,100 Generation Z college students from 15 vastly different U.S. higher education institutions as well as additional studies from youth market and education research related to this generation. Authors Corey Seemiller and Meghan Grace provide interpretations, implications and recommendations for program process and curriculum changes that will maximize the educational impact on Generation Z students. *Generation Z Goes to College* is the first book on how this up-and-coming generation will change higher education. **Global TV Horror** Stacey Abbott, Lorna Jowett, 2021-03-01 The Horror genre has become one of the most popular genres of TV drama with the global success and fandom surrounding *The Walking Dead*, *Supernatural* and *Stranger Things*.
