Thinking Bigger Sarah Dusek,2024

The paucity of women led start ups to reach the same stratospheric levels of funding growth and annual revenue achieved by many of the new businesses founded by men is

staggering The lack of female representation among the top earning founders is all the more surprising when compared to the number of women who do start businesses So many women would love to build something great but don't know the rules of the game They want real practical usable tools to help them make big things happen This book aims to bridge the gap between knowledge and practice empowering women to secure funding and thrive in big business and finance Sarah Dusek delves into the art and science of creating a winning pitch deck from crafting a compelling story to using data and design to make a lasting impact She offers real life examples from other female entrepreneurs and stories from her own journey both as an entrepreneur and now as an investor in other women's businesses Thinking Bigger is for women entrepreneurs around the world who want to think bigger and understand what it will take to get funded Increasing the number of women led businesses is not only beneficial for individual women entrepreneurs but is also critical for building a more equal diverse world The world is in desperate need of women entrepreneurs who will bring their unique perspectives to solving some of the world's biggest and most stubborn problems This book is a rallying cry to encourage women to think big to take their seats at the proverbial tables of power and to build their own tables if necessary
