Tok Trending Usa:

TikTok Cultures in the United States Trevor Boffone, 2022-04-03 *TikTok Cultures in the United States* examines the role of TikTok in US popular culture paying close attention to the app's growing body of subcultures. Featuring an array of scholars from varied disciplines and backgrounds, this book uses TikTok subcultures as a point of departure from which to explore TikTok's role in US popular culture today. Engaging with the extensive and growing scholarship on TikTok from international scholars, chapters in this book create frameworks and blueprints from which to analyze TikTok within a distinctly US context, examining topics such as gender and sexuality, feminism, race and ethnicity, and wellness. Shaping TikTok as an interdisciplinary field in and of itself, this insightful and timely volume will be of great interest to students and scholars of new and digital media, social media, popular culture, communication studies, sociology of media, dance, gender studies, and performance studies. **The End of an Era: The TikTok Shutdown in the USA** Guillaume

Lessard, 2025-01-10 Explore the rise and fall of one of the most influential social media platforms of our time in *The End of an Era: The TikTok Shutdown in the USA*. This captivating eBook authored by Guillaume Lessard delves deep into the extraordinary journey of TikTok, its meteoric rise as a cultural phenomenon, its role in shaping modern digital trends, and the geopolitical forces that ultimately led to its shutdown in the United States. From viral dance challenges to political advocacy, TikTok redefined social media and empowered creators around the globe. But behind the scenes, concerns over data privacy, national security, and international relations sparked a battle that would reshape the tech industry forever. In this detailed exploration, you will discover the origins and revolutionary success of TikTok, the complex interplay of technology, politics, and culture that led to its ban, the impact on influencers, businesses, and global audiences, lessons for tech companies navigating an increasingly interconnected and regulated digital world. Whether you're a tech enthusiast, a social media aficionado, or simply curious about the forces shaping our digital age, this book provides an insightful narrative on the collision of innovation, regulation, and public opinion. *The End of an Era* is more than just a story about a social media app; it's a cautionary tale and a testament to the enduring power of digital platforms to influence our world. TikTok D. Bondy

Valdovinos Kaye, Jing Zeng, Patrik Wikström, 2022-06-16 Since its acquisition and rebranding in 2018, TikTok has become one of the fastest growing platforms in the world. Moreover, it's the first Chinese developed platform to find mainstream international success, carving its own niche in the global short video industry. In the first comprehensive exploration of TikTok, Kaye Zeng and Wikström provide a history of the emergent genre of short video and situate the platform within the cultures and controversies that have accompanied its dramatic growth. They provide an extensive overview of TikTok's functions and uses, the diverse markets in which the platform operates, and the issues of governance that have impacted its expansion. Once thought to be just for kids, the authors illustrate how TikTok is further transforming platform cultures and the dynamics of broader creative industries. TikTok, the authors argue, represents an evolutionary step in the way culture is produced and

consumed on digital platforms This timely book is essential reading for students and scholars in media and communication studies and for anyone who has been captivated by the global growth of TikTok and short video *Soziale Medien und Kritische Theorie* Christian Fuchs, 2024-09-02 **TikTok - Memefication und Performance** Friederike Fischer, Simon Meier-Vieracker, Lisa Niendorf, 2025-08-02
