Reasserting the Disney Brand in the Streaming Era Robert Alan Brookey, Jason Phillips, Timothy Pollard, 2023-04-07

Reasserting the Disney Brand in the Streaming Era investigates the evolution of the Disney brand at a pivotal moment the move from content creation to acquisition and streaming and how the company reasserted its brand in a changing marketplace Exploring how Disney's acquisition of Pixar Marvel Lucasfilm and Fox positioned the company to launch the Disney streaming service the chapters look at the history of those acquisitions and the deployment of the content brands and intellectual property from those acquisitions through an analysis of the original content that appeared on Disney Offering a focused investigation of how the content offered from these various media brands was adapted for Disney so that it reflects the Disney brand the authors illustrate through close textual analysis how this content reflects elements of the Classic Disney Style The analysis positions these texts in relation to their industrial contexts while also identifying important touchstone texts both television and film in Disney's catalog This comprehensive and thoughtful analysis will interest upper level students and scholars of media studies political economy Disney studies media industries and new technology

De Gruyter Handbook of Media Technology and Innovation Richard A. Gershon, 2025-01-27 The De Gruyter Handbook of Media Technology and Innovation brings together scholars from around the world to provide key insights on emerging technology trends and issues related to the fields of media management information technology product design planning and digital lifestyle This handbook is about the power of good ideas It's about those business enterprises government planners educators and entrepreneurs that have harnessed the power of good ideas to become real difference makers in the world we live in Keeping pace with fast paced technology change requires ongoing assessment and reassessment of the media management and technology fields to address important questions and emerging issues A major premise of this book is that given the complex and ever changing state of media technology we have a responsibility and obligation to engage in a broader interdisciplinary dialogue whose purpose is to understand the current and future state of media technology and innovation as well as to appreciate the social impact that such technologies have on business education and the general public Forecasting the future as any weatherperson or stock broker can tell you is a risky business But in this book we use the phrase the creative next step as a way to talk about the future and what we can expect in terms of the opportunities and challenges going forward

It's Not TV Felix Gillette, John Koblin, 2022-11-01 A read so riveting it's not

hard to imagine watching it unfold on Sunday nights The Associated Press An incisive account that is more than a rosy victory lap for one of TV's most influential channels Eric Deggans NPR's Books We Love It's Not TV proves to be a lively companion to all these shows Andrew O'Hagan The New York Review of Books The inside story of HBO the start-up company that reinvented television by two veteran media reporters HBO changed how stories could be told on TV The Sopranos Sex and the City The Wire Game of Thrones The network's meteoric rise heralded the second golden age of television with serialized shows that examined and reflected American anxieties fears and secret passions through complicated characters who were flawed and often unlikable HBO's own behind-the-scenes story is as complex compelling and innovative as the dramas the network created driven by unorthodox executives who pushed the boundaries of what viewers understood as television at the turn of the century Originally conceived by a small upstart group of entrepreneurs to bring Hollywood movies into living rooms across America the scrappy network grew into one of the most influential and respected players in Hollywood It's Not TV is the deeply reported definitive story of one of America's most daring and popular cultural institutions laying bare HBO's growth dominance and vulnerability within the capricious media landscape over the past fifty years Through the visionary executives showrunners and producers who shaped HBO seasoned journalists Gillette and Koblin bring to life a dynamic cast of characters who drove the company's creative innovation in astonishing ways outmaneuvering copycat competitors taming Hollywood studios transforming 1980s comedians and athletes like Chris Rock and Mike Tyson into superstars and in the late 1990s and 2000s elevating the commercial free serialized drama to a revered art form But in the midst of all its success HBO was also defined by misbehaving executives internal power struggles and a few crucial miscalculations As data-driven models like Netflix have taken over streaming HBO's artful instinctual and humanistic approach to storytelling is in jeopardy Taking readers into the boardrooms and behind the camera It's Not TV tells the surprising fascinating story of HBO's ascent its groundbreaking influence on American business technology and popular culture and its increasingly precarious position in the very market it created *Sehnsucht: The C. S. Lewis Journal* Bruce R. Johnson, 2023-03-23 Sehnsucht The C. S. Lewis Journal established by the Arizona C. S. Lewis Society in 2007 is the only peer-reviewed journal devoted to the study of C. S.
