Meditation on the Trinity Anthony J. Kelly, 2024-12-31 One of the areas of sustained interest for Reverend Professor Anthony Kelly CSsR has been the mystery of the Trinity the divine mystery constituted as Father Son and Spirit Indeed his whole life as theologian teacher priest and preacher and even as poet has been spent in the quest firstly to know the mystery in which we live and move and have our being and to penetrate it ever more deeply and secondly to communicate it ever The essays in this collection demonstrate the wide range of genre in which Kelly writes from the highly academic and scholarly addressing the subtle refinements and sophisticated argumentation of theological scholarship such as the essay on Trinitarian Connections in this collection through more contemplative and meditative reflections to the very practical as in the challenges of preaching on Trinity Sunday As is very evident in these essays Kelly systematically but gently expatiates on the meaning of the mysteries of faith skilfully interweaving references from the biblical witness classic creedal statements of faith doctrinal statements and insights from the tradition including the mystics They show him to be a consummate systematician robustly orthodox but restlessly imaginative ever bent on expressing the mysteries of Christian faith evocatively meaningfully and persuasively In a telling comment Kelly writes If faith is to remain alive to the living God if it is to serve the Word and communicate in the Spirit our language needs to be restlessly imaginative
