Greene,2017-05-05 An invaluable resource for readers interested in architecture and design that demonstrates how the construction form and function of key structures in the 19th century influenced American social political economic and intellectual life America has always been a nation of thinkers believers creators and builders Evidence of this is plentiful among the landmarks constructed in the 19th century Buildings and Landmarks of 19th Century America American Society Revealed examines many examples that include homes office buildings recreational spaces military sites religious buildings and other landmarks in a variety of geographical locations discussing the background architecture and cultural significance of each Each engaging accessible entry not only provides readers detailed information about how the landmark relates to what was going on in American society at the time of its construction but also sparks the reader s interest to research the subject further As examples consider that a rural cemetery built in Massachusetts in the early 19th century was the prime influence on public

park design and led to the construction of New York's Central Park and many other public parks since The millionaire industrialist and philanthropist Andrew Carnegie built many of the first free public libraries in the country which led to the development of municipal public library systems The huge success of 19th century world's fairs like the 1876 Centennial Exhibition and the 1893 World's Columbian Exhibition had lasting effects on society through the many new products that they introduced to the public Throughout the book landmarks are analyzed to elucidate their influence on many aspects of 19th century society including the treatment of the mentally ill impact of religious revivals growth of leisure and vacation time and housing for the poor and the western homesteader among many others In the How to Evaluate Buildings and Structures section readers are prompted to consider questions such as What specific purposes did the building or structure have When was it constructed and what were the circumstances and What was the need it addressed Students will learn about the period while also developing the skills of observation and assessment needed to analyze these landmarks and draw meaningful conclusions from them about their context and significance The discussion of each landmark serves to help readers with these elements of critical thinking assessment and analysis

Landmarks of African American History James Oliver Horton, 2005-03-24 In *Landmarks of African American History* James Oliver Horton chooses thirteen historic sites to explore the struggles and triumphs of African Americans and how they helped shape the rich and varied history of the United States Horton begins with the first Africans brought to Jamestown Virginia and the start of slavery in the colonies that became the United States Boston's Old State House provides the backdrop to the martyrdom of Crispus Attucks the former slave killed in the Boston Massacre the confrontation with British troops that led to the American Revolution After the Civil War former slaves settled the desolate area of Nicodemus Kansas and turned it into a thriving community The USS Arizona Memorial in Pearl Harbor Hawaii and Boston's Old State House illustrate African American contributions to the defense of their country and reveal racial tensions within the military And the black students who demanded service at Woolworth's racially segregated lunch counter in Greensboro North Carolina launched the sit in movement and advanced the fight for civil rights Horton brings together a wide variety of African American historical sites to tell of the glory and hardship of the great achievement and determination of the people and events that have shaped the values ideals and dreams of our nation

Landmarks of the Civil War Nina Silber, 2003-06-12 Along with explorations of well known sites of the Civil War Fort Sumter Appomattox Gettysburg *Landmarks of the Civil War* takes us on a powerful journey to the places that reveal how the Civil War perhaps the most devastating event in American history affected all Americans such as Port Hudson Louisiana where African Americans fought for their freedom on the high bluffs of the Mississippi at the risk of not just capture but enslavement Honey Springs Oklahoma where Native Americans fought some supporting the North and others the Confederacy which further divided a culture already traumatized Bull Run in Manassas Virginia famous for its disastrous outcome for the North but also a place where journalists got their baptism in war correspondence and realized the powerful

role they could play in events Nina Silber also takes us to some of the most notorious prisoner of war sites inadequate and make shift hospitals weapons and ammunition workshops and official presidential and legislative settings that evoke the politics of war making With numerous personal anecdotes and compelling detail throughout Landmarks of the Civil War is a fascinating tour through the places where the United States faced its most trying moments as a nation Journey to the places where pivotal moments in history occurred with the American Landmarks series as your guide exciting fieldtrips in a book Lively narrative essays that tell what happened at each site and why it is important are accompanied by color and black and white photos Packed with practical information about the sites today each profile includes a fact box listing key dates architect builder owner address website and summary of significance sidebars containing primary sources or discussing personalities objects or issues associated with the site a list of related sites and a map Published in cooperation with the National Register of Historic Places and National Park Service the American Landmarks series brings history alive on the spot where it happened
