It includes arrangements appropriate for parties, weddings, recitals, Bar or Bat Mitzvahs, Brit Milah, Covenant of Circumcision, or just for personal enjoyment. These works range in difficulty from moderate to advanced. Fingerings are given along with correlating tablature to facilitate learning. An appendix is included with transliterated Hebrew or Yiddish words as well as chord symbols for accompaniment purposes. English translations are given when it is common to do so. Includes access to online audio that contains all of the pieces in the book recorded in stereo format. It serves as both an aid in learning as well as a very enjoyable solo recording. Level of difficulty: intermediate. **Songs of the Heart** Giovanni De Chiaro, 2023-12-12 This unique anthology enhances the voice and classic guitar repertoire with new and original transcriptions done by the author of many of the most popular works of Schubert, Mozart, and Giuliani. It also includes four English Folk songs composed by noteworthy mid-nineteenth century composers with the guitar parts revised by the author. The 22 selections in this book lie well within the technical reach of vocalists and guitarists alike and will make an engaging addition to concert and recital programs. As the human voice brings an added lyrical dimension to any musical performance, audiences will love this music. Includes an outstanding online audio recording by the author and soprano Kate Rawls. George Gershwin Three Preludes for Flute and Guitar Dr. Justin Hoke, 2024-03-26 Following the model established by Bach and Chopin, George Gershwin (1898-1937) originally planned to write 24 modern preludes for piano, one in each major and relative minor key. The collection was to be called The Melting Pot as it combined cross-cultural elements of classical, popular, jazz, and blues styles. Already established as a composer of popular songs, Broadway musicals, and masterpieces like Rhapsody in Blue and Concerto in F, Gershwin's frenetic musical activities and an early death intervened, and for various reasons only three of the completed 5-7 preludes were published in 1927. By omission and circumstance, these three compositions have endured the test of time as Gershwin's Three Preludes. This book presents idiomatic flute/guitar arrangements of Gershwin's iconic Three Preludes. The original keys of the preludes were altered to accommodate drop D guitar tuning and highlight the strengths and tessituras of the two instruments. The music is written in standard notation only and presented in guitar and flute scores, guitar accompaniment with extensive suggested fingering, and a flute solo part with guitar cues. Includes access to an outstanding online audio recording by The Cypress Duo featuring flutist Amanda Hoke and author/guitarist Justin Hoke. Audiences are going to love hearing these preludes rendered by the flute and guitar, particularly Prelude II in Gershwin's words, a sort of blues lullaby.
