Wolf Nation Brenda Peterson, 2017-05-02 In the tradition of Peter Matthiessen's *Wildlife in America* or Aldo Leopold Brenda Peterson tells the 300 year history of wild wolves in America. It is also our own history seen through our relationship with wolves. The earliest Americans revered them. Settlers zealously exterminated them. Now scientists, writers and ordinary citizens are fighting to bring them back to the wild. Peterson, an eloquent voice in the battle for twenty years, makes the powerful case that without wolves not only will our whole ecology unravel but we'll lose much of our national soul.

The Spirituality of Carlos Santana Nicholas Nigro, 2014-03-01 Book One constant of popular culture is its value of celebrities and public figures. Some icons transcend divides and appeal to all kinds of individuals for various reasons. They are leaders in their own ways using their celebrity platforms to make a difference. Regardless of any religious or nonreligious stance, their actions and insights can highlight for us particular, universally spiritual concepts. The Backbeat Spirituality series taps into that cultural value of celebrity and presents in a balanced and secular fashion words of wisdom such celebrities have spoken. Series editor Nicholas Nigro weaves together insightful quotes and gathers them by theme: Creativity, Passion, Intention, offering texts from which readers can extrapolate their own meanings and in turn find added inspiration to live their best day to day lives. *The Spirituality of Carlos Santana* is an enriching compilation of the legendary musician's most inspiring and compelling words. Those who know him best will tell you that the venerable singer-songwriter has never been shy about expressing his opinions and reaching deep inside himself and revealing what's in his heart and in his soul. You are not realistic unless you believe in miracles, Carlos says with genuine conviction.

From that day young Janice purposed in her heart that she would use all the physical and mental energy she could muster to pull her mother out of a life of poverty.
