

FINANCIAL AID APPEAL LETTER

Dear Mr. Macbeth,

My name is Mauricio Gael. I recently gained admission to study International Finance at the Fairwell Business School. I was also granted decent financial aid. I am deeply grateful for this opportunity to realize my goals. I happen to be emotionally attached to the college because it is the only school that would secure a stable future in the finance world. This is a kind gesture that I will hardly forget. However, I humbly appeal for more funding as my family and I have been victims of a harrowing earthquake.

As you must have heard from the news, Southern Italy has been plagued by a devastating earthquake that has devoured lives and properties. Thankfully, no life was lost in my family. However, the cost of this unforeseen tragedy has drastically reduced our savings for education. Our house has been repeatedly destroyed and the treatment of my elder brother who has sustained injuries is expensive.

I understand funding can be challenging to provide but I assure that your investment in me will yield fruits. My past academic success and leadership experience can testify to how responsible, dependable, studious and hardworking I am. I have been awarded number times for my academic excellence and industriousness. I don't intend to stop working hard for my education.

An increase in the financial aid would help in lifting my academic expenses off the shoulders of my family sponsors. And I would devote my full attention to my studies. Attached here are the bills of the home repairs, the re - installation of electrical appliances, the current receipts of medical bills and the pictures of our wrecked home. Thank you for sympathizing, indicating understanding and considering my application.

Sincerely,

Mauricio Gael
