Medieval Philosophy A Beginners Guide Beginners Guides:

Medieval Philosophy Sharon M. Kaye,2012-12-01 An engaging and authoritative introduction to this hugely influential era in the history of philosophy Why do good things happen to bad people Can we prove whether God exists What is the difference between right and wrong Medieval Philosophers were centrally concerned with such questions questions which are as relevant today as a thousand years ago when the likes of Anselm and Aquinas sought to resolve them In this fast paced enlightening guide Sharon M Kaye takes us on a whistle stop tour of medieval philosophy revealing the debt it owes to Aristotle and Plato and showing how medieval thought is still inspiring philosophers and thinkers today With new translations of numerous key extracts Kaye directly introduces the reader to the philosophers writings and the criticisms levied against them Including helpful textboxes throughout the book detailing key thinkers this is an entertaining and comprehensive primer for students and general readers alike

Islamic Philosophy Majid Fakhry,2009-02-01 A comprehensive examination of the struggle to reconcile philosophy and Islam From the introduction of Greek Philosophy into the Muslim world in the eighth century right through to modern times Majid Fakhry charts the evolution and interaction of philosophy theology and mysticism in the Islamic context Highlighting key individuals movements concepts and writings Fakhry also explores the conflicts and controversies between anti and pro philosophical parties that have characterised the development of Islamic thought The book also features coverage of the translation of ancient texts and their transmission to the Muslim world the development of a systematic philosophy in Islam theology mysticism and the development of Sufism Islam s interaction with western philosophy and theology contemporary trends

Critical Thinking Sharon M. Kaye,2012-12-01 Discover how to put your point across more effectively Critical thinking shows people how to analyze arguments speeches and newspaper articles to see which faults the authors are making in their reasoning It looks at the structure of language to demonstrate rules by which you can identify good analytical thinking and helps people to formulate clear defensible arguments themselves As people are always trying to put a certain point opinion across in a variety of arenas in our lives this is a very useful skill With real life newspaper extracts a glossary exercises and answers and a guide to essay writing this is an invaluable tool for both students wanting to improve their grades and general readers wanting to boost their brainpower

Renaissance Art Tom Nichols,2012-12-01 The fifteenth century saw the evolution of a distinct and powerfully influential European artistic culture But what does the familiar phrase Renaissance Art actually refer to Through engaging discussion of timeless works by artists such as Jan van Eyck Leonardo da Vinci and Michelangelo and supported by illustrations including colour plates Tom Nichols offers a masterpiece of his own as he explores the truly original and diverse character of the art of the Renaissance

Philosophy Peter Cave,2012-09-06 Philosophy the love of wisdom is the product of our endless fascination and curiosity about the world the child of wonder Through it we seek to answer the most fundamental of questions How do we know what we know Does God exist What is beauty How should we live our lives What am I In this exhilarating tour Peter

Cave navigates all the main topics of philosophy with verve and clarity Using witty and whimsical examples including stoical sofas and Reg the regular human who just happens to carry his brain in a rucksack Cave provides a welcome antidote to the dry textbook while covering everything from political philosophy to points of logic Interspersed with helpful textboxes and underlining the enduring relevance of philosophy to us all there is no better introduction for the aspiring sage

Ancient Philosophy William J. Prior, 2016-04-21 Philosophers didn't always busy themselves with life's big questions The earliest ancient philosophers were primarily concerned with the world of nature including phenomena such as earthquakes and eclipses But one enigmatic Greek named Socrates began to explore abstract ideas about human existence What makes us happy What is the nature of the soul And what is our purpose in this universe Professor William Prior elegantly guides readers through philosophy's formative years and key ancient texts Organised into four themes nature reality the soul and ethics Ancient Philosophy A Beginner's Guide is a lively introduction to the great thinkers who still send our minds reeling today

Machiavelli Cary J. Nederman, 2012-12-01 Liberal thinker or immoral pragmatist You decide Machiavelli has been among the most commented upon criticized and feared thinkers of the modern world Infamous for his support of brutality and repression as valid political instruments he is often portrayed as the pantomime villain of political theorists In this whirlwind tour of Machiavelli's writings and eventful life Nederman highlights the complexities in his thought showing that he actually advocated democracy as much as dictatorship debate as much as violence depending upon prevailing political conditions

Classical Music Julian Johnson, 2012-12-01 Pick up where Classic FM leaves off What does classical music mean to the Western World How has it transformed over the centuries With such a rich tradition what relevance does it have today Julian Johnson inspires readers to explore the field and examines how music is related to some of the big ideas of Western experience including spirituality emotion the weight of history and self identity

Criminal Psychology Ray Bull, Claire Cooke, Ruth Hatcher, 2009-09-01 It is a conundrum that has vexed societies throughout history how do you deal with those that break the law If their aim is to evade you how do you identify them If their aim is to lie how do you interview them If they don't see their actions are wrong how do you help them to successfully reform Criminal psychology is the discipline which tackles these challenges head on From the signals which give away we're lying to the psychological profiling of violent offenders this exhaustive guide written by the UK's top experts is the perfect introduction Also covering policing and the much debated topic of sexual offenders and their treatment it will demonstrate how understanding the mind will help us to view modern justice from a more informed perspective

Descartes Harry M. Bracken, 2012-12-01 A modern primer to the father of modern philosophy The father of modern philosophy Descartes is still one of the most widely discussed philosophers today Putting rationalism above all else he sought to base all knowledge of the world on a single idea I think therefore I am This introduction expertly summarises his thoughts on the dualism of mind and body his proofs for God's existence and his responses to scepticism Explaining how his life informed his philosophy Bracken explains the philosopher's

enduring significance Parapsychology Caroline Watt,2016-04-14 From premonitions to apparitions spoon bending to mind reading the paranormal has bemused and mystified humans for millennia In this Beginner s Guide renowned author and scientist Dr Caroline Watt explores the evidence behind such phenomena In the last one hundred years parapsychologists have tried to determine whether it is possible to examine paranormal activity using scientific methods Packed full of interesting characters surprising incidents and novel experiments this book takes the reader on a journey through this fascinating research Parapsychology A Beginner s Guide traces the history and evolution of parapsychology as a science and provides a thorough and critical analysis of the research and evidence in the field today **Rawls** Paul Graham,2015-11-05

The principles of justice are chosen behind a veil of ignorance John Rawls A Theory of Justice What is justice How can we know it How can we make our society more just The most significant political philosopher since John Stuart Mill John Rawls 1921 2002 grappled with such dilemmas His work has been the source not only of academic argument but also of political debate and legislative reform arguing that we have a moral duty to organise society so as to rectify undeserved inequality In the first introduction to Rawls s work which encompasses his entire career Dr Paul Graham combines lucid exposition with thought provoking criticism Locating Rawls in the rich history of political thought Graham explores a theory that remains fiercely relevant as the developed world sees unprecedented levels of inequality For anyone concerned with how society works this is a vital introduction to one of the great modern philosophers and to a subject that is crucial to how we live

The Enlightenment Kieron O'Hara,2012-12-01 Blamed for the bloody disasters of the 20th century Auschwitz the Gulags globalisation Islamic terrorism heralded as the harbinger of reason equality and the end of arbitrary rule the Enlightenment has been nothing if not divisive To this day historians disagree over when it was where it was and what it was and sometimes still is Kieron O Hara deftly traverses these conflicts presenting the history politics science religion arts and social life of the Enlightenment not as a simple set of easily enumerated ideas but an evolving conglomerate that spawned a very diverse set of thinkers from the radical Rousseau to the conservative Burke **Stalin** Abraham Ascher,2016-11-03

Joseph Stalin began life as a frail child with an abusive father and an inferiority complex This triggered an early desire for greatness and respect that would eventually turn the young Bolshevik idealist into one of the most ruthless dictators in modern history Like his contemporary Adolf Hitler Stalin was responsible for millions of deaths and inflicted barbaric cruelty on the Soviet people But while Hitler is readily portrayed as a monster Stalin has not been subjected to quite the same level of vitriol In Stalin A Beginner s Guide renowned historian Abraham Ascher analyses new and old sources separating truths from falsehoods to present an unvarnished portrait of the Soviet leader Epistemology Robert M. Martin,2014-07-01 How do you know what you know Epistemology is the philosophical study of knowledge Without knowledge scientific enquiry is meaningless and we can t begin to analyse the world around us What is knowledge How do you know you are not dreaming Should we trust our senses Presuming no prior experience of philosophy this book covers everything in the topic from

scepticism and possible worlds to Kant's transcendentalism Clear and readable Epistemology A Beginner's Guide is essential reading for students and aspiring thinkers **History** David Nash,2015-11-05 Why study history What's the point Through compelling historical narratives such as the assassination of President Kennedy Dr David Nash introduces us to the central elements of the subject Readers learn how history seeks to explain categorise and make sense of events of the past It is a search for truth which involves searching for sources and then scrutinising them to try and determine how reliable they are Nash explores how new interpretations can change our understanding of what was previously an established version of history and what lasting contribution the study of history can make to society and indeed civilisation Ideal for those with an emerging interest in history the book is designed to provide readers with a toolkit for further investigation of the subject
