Meditation For Violin:

Meditation Charles Rychlík, 1929 **Méditation D-Dur** Jules Massenet, Roger Nichols, 2022-10 This arrangement for violin and piano of the famous Meditation from Massenet's opera *Thaïs* from Edition Peters contains separate violin and piano parts and has been arranged and edited by Roger Nichols One of the world's foremost authorities on the music of France Roger Nichols has published and broadcast extensively on the music of composers such as Ravel Satie Debussy Chabrier and Berlioz In 2006 he was appointed chevalier de la Légion d'honneur for his services to French music *Thaïs* Massenet's tenth completed opera had its premiere at the Paris Opéra on 16 March 1894 with the American soprano Sibyl Sanderson in the title role The libretto by Louis Gallet was based on Anatole France's novel of the same name serialized in the *Revue des deux mondes* in 1889 and published in book form the following year The story tells of the conversion to Christianity of the courtesan *Thaïs* by the holy man Athanael and his parallel but opposite conversion to a life dominated by lust for her The Meditation for solo violin and orchestra joining the two scenes of Act II describes the beginning of *Thaïs*'s conversion The work was not received well initially by 1897 when Sanderson retired it had reached only its fourteenth performance But the Meditation was an instant success with violinists and its religious association also encouraged church organists to play it at Mass during the Communion Even Pope Pius X's *motu proprio* of 1903 specifically demanding that the music heard in church should not include reminiscences of those employed in the opera house could not prevail against it **Meditation**
