The Resurrection of the Son of God Tom Wright, 2012-06-07 N T Wright takes us on a fascinating journey through ancient beliefs about life after death from the shadowy figures who inhabit Homer's Hades through Plato's hope for a blessed immortality to the first century where the Greek and Roman world apart from the Jews consistently denied any possibility of resurrection We then examine ancient Jewish beliefs on the same subject from the Bible to the Dead Sea Scrolls and beyond This sets the scene for a full scale examination of early Christian beliefs about resurrection in general and that of Jesus in particular beginning with Paul and working through to the start of the third century Wright looks at all the evidence and asks Why did the Christians agree with Jewish resurrection belief while introducing into it across the board significant modifications To answer this question we come to the strange and evocative Easter stories in the gospels and asks whether they can have been late inventions Wright seeks the best historical conclusions about the empty tomb and the belief that Jesus really did rise bodily from the dead recognizing that it was this belief that caused early Christians to call Jesus Son of God In doing so they posed a political challenge as well as a theological one These challenges retain their power in the twenty first century

Narrative Reading, Narrative Preaching Joel B. Green, Michael Pasquarello, III, 2003-12-01 There is often an unfortunate division between the technical work of biblical scholars and the practical work of preachers who construct sermons each week These two fields of study which ought to be mutually informed and supportive are more often practically divided by divergent methods interests and goals Narrative Reading Narrative Preaching aims to bridge that divide Using narrative as an organizing theme the contributors work through the New Testament offering examples of how interpretation can rightly inform proclamation Three pairs of chapters feature an exemplary reading by a New Testament scholar followed by a sermon informed by that reading Introductory and concluding chapters provide guidance for application of the model Pastors and seminarians will find here a uniquely practical work that will help them with both the reading and preaching of Scripture

The Future of Christology Roger D. Haight, 2007-08-03 In a strongly worded notification in February of 2005 the Vatican Congregation for the Doctrine of the Faith denounced Jesuit Roger Haight's award winning best selling book *Jesus Symbol of God* as containing grave doctrinal errors Like a number of theologians before him Hans K ng Charles Curran Anthony de Mello Tissa Balasuriya and Jacques Dupuis Haight has been banned from teaching as a Catholic theologian In its overall criticism of the book the Congregation still under the direction of the then Cardinal Ratzinger charged that Haight subordinates the contents of the faith to their plausibility and intelligibility in post modern culture For his part Haight says I look at American Catholicism with a population more and more educated in the faith Many college and university students are used to religious pluralism and are asking how they can square it with the Catholic faith I try to put critical words to their experience and keep their experience in touch with the tradition My fear is that educated Catholics will walk out if there isn't space for an open attitude to other religions *The Future of Christology* covers much the same ground as *Jesus Symbol of God* though in a much more accessible and compact format The earlier book was written as a textbook this one with a wider audience in mind In the final chapter Haight responds to the numerous reviews *Jesus Symbol of God* received both pro and con

Paul's Message and Ministry in Covenant Perspective Scott J. Hafemann, 2015-01-22 The essays presented here represent over twenty-five years of thinking about the theology and life of the Apostle Paul, who as a slave of Jesus Christ (Rom 1:1) was a servant of the new covenant with a ministry of the Spirit (2 Cor 3:6-8). Taking the questions raised by the history of scholarship since F. C. Baur as their starting point, Hafemann's exegetical studies focus on how Paul's self-understanding shaped his message, the motivations of his ministry, and his consequent call to suffer for the sake of his churches. Hafemann's work reveals that Paul's views of redemption, of his own redemptive mission, and of the life of the redeemed derived from his eschatological conviction that the purpose of the new covenant realities inaugurated by the Christ is to prepare for their promised consummation when Christ returns to judge the world.

Reimagining the Body of Christ in Paul's Letters Yung Suk Kim, 2019-05-08 This book questions all familiar readings of the body of Christ in Paul's letters and helps readers rethink the context and the purpose of this phrase. Against the view that Paul's body of Christ metaphor mainly has to do with a metaphorical organism that emphasizes unity, Kim argues that the body of Christ has more to do with the embodiment of God's gospel through Christ. While Deutero-Pauline and pastoral letters use this body metaphor mainly as an organism, Paul's undisputed letters, in particular 1 Corinthians and Romans, treat it differently, with a focus on Christlike embodiment. Reexamining the diverse use of the body of Christ in Paul's undisputed letters, this book argues that Paul's body of Christ metaphor has to do with the proclamation of God's gospel.

Unspoiled Endings Christopher T. Holmes, 2024-08-27 In *Unspoiled Endings*, Christopher T. Holmes seeks to address two general but ultimately inadequate approaches to the book of Revelation. On the one hand, some obsess about decoding its symbolic language and providing a proper timetable for understanding the end times. On the other hand, many simply disregard or neglect Revelation altogether because of its strange or unsettling contents. *Unspoiled Endings* offers a historical, literary, and theological reading that offers an alternative to both tendencies and explains how and why Revelation relates to the life of faith. It serves as a corrective to those whose understanding of Revelation has been shaped more by the *Left Behind* series than by the book itself, and as an invitation to those who otherwise would never think to read or study the book. Each chapter presents a feature or characteristic of Revelation that contemporary readers can reclaim to make Revelation a more relevant and invigorating resource for contemporary Christians.

Made Known to Them Douglas M. Koskela, 2025-06-25 *Made Known to Them* is written for those beginning their journey in the study of Christian theology. It offers an introduction to the nature and purpose of theology by means of an extended meditation on the Emmaus road story of Luke 24. In that story, two disciples of Jesus meet a mysterious stranger along the road. While readers are told that this stranger is the risen Jesus, the disciples do not recognize him until he is made known to them in the breaking of the bread. Along the way, these disciples experience the company of

Jesus in a way that increases both their joy and their knowledge Luke's telling of the story offers helpful signposts for anyone who desires to know and love God more deeply In each chapter of Made Known to Them Douglas M Koskela explores one of these signposts and reflects on what it means for how we go about the work of theology In that light all those who wish to get to the heart of this work even long time theologians are invited to take up these pages
