Mein Kampf Adolf Hitler, 2016-03-20 This translation is considered as the most accurate English translation edition of the original Mein Kampf German by Adolf Hitler And it has the popular Eagle on the top of cover just like the original Mein Kampf First German Edition Complete volumes Golden Embossed Eagle This edition is the only German government funded and recognized version of Adolf Hitler's popular Mein Kampf popularly known as My Struggle in English James Murphy was invited by the NAZI Propaganda Ministry to translate the book in English so that the NAZI propaganda and vision can be disseminated in the English speaking countries too This edition has both the volumes and is the James Murphy's original translation that you are viewing right now Mein Kampf was originally published in two volumes Adolf Hitler started dictating Mein Kampf to Rudolf Hess when he was imprisoned in Festungshaft against the Beer Hall Putsch a failed attempt of coup One of the earliest translation was by James Murphy that received official recognition by the Third Reich Actually James Murphy's translation was officially funded by the NAZI party ruling in Germany in a time era which they called The Third Reich However later when James Murphy isolated himself from NAZI ideology and chanted negative remarks and comments that were against the NAZI party and rule he was told by the NAZI Propaganda ministry to leave German soil immediately He sent his wife later to Germany so that his original notes can be retaken He completed his translation with the help of these notes Initially Hitler was naming his book Viereinhalb Jahre des Kampfes gegen Lüge Dummheit und Feigheit or in English Four and a Half Years of Struggle Against Lies Stupidity and Cowardice However he accepted the suggestion of Mein Kampf by Max Amann who was the publisher of Hitler's books He was so passionate about his thoughts and ideas that he predicted that book will be an instant bestseller and will do for all the expenses of NAZI party in the future The book was not an instant success as per the records of sales until the year 1931 up to 1933 when Hitler won Chancellorship in Germany A surge in the sales could be seen thereafter when Hitler already had started distancing himself from his first literary creation his autobiography Mein Kampf He was so submerged and preoccupied with his new status that he started to call it a mistake to write such book that he called fantasy behind the bars The tax accrued for Mein Kampf was about 405 500 Reichsmark About 1.5 Million in 2015 at the time he took up Chancellorship of Germany when his tax debts were written off By the time he had completed his first year as the chancellor of the Germany Mein Kampf had become an essential component of German social life People are using the then Legendary book Mein Kampf for gifts homage education and for whatever whenever possible And by the time the WORLD WAR II ended the sales of Mein Kampf in Germany alone was touching 10 Million mark The book was running in top selling list for over a decade competing neck to neck and sometimes lagging behind the Bible Writing a book to disseminate his ideas concerning Nazism or Fascism had been

important for Adolf Hitler until he finally reached his goal of Chancellorship. However, when the first book of two volumes could not help him much in gaining ground in German politics, he wrote his next book that was never published. Later in his last years when the war was about to end, Adolf Hitler ordered his comrades to put the original manuscript in a locker under a shelter for Air Strikes. This book was an extension of NAZI viewpoints, ideas, and propaganda. Hitler used his energy to further improve the NAZI ideology and engineer new components and enhance the former ones. Mein Kampf Adolf Hitler, 2018-08-30. Mein Kampf is an autobiographical book written by one of the greatest men in history who was also responsible for starting the second world war in 1939. Mein Kampf was written in an era when Adolf Hitler was not known to every household of Germany. Instead of this, it was written at a time when Adolf was serving jail term after failed Beer Hall putsch. The book became an instant bestseller, selling 11 million copies in total between 1933-1945 in Germany. The book, however, caught ban in ALLIED nations out of political reasons. This volume is an unabridged edition of both volumes constituting Mein Kampf or My Struggle, the name of the book, however, was originally suggested by one of the colleagues of Adolf Hitler. **Success Evolution- A Simplified Way**, Shelf Aware V.R. Feroze, 2023-11-10. BIBLIOPHILIA A perfectly acceptable addiction marked by obsessive reading, aggressive book sniffing, and strategic hoarding. For as long as Feroze, a San Francisco-based techie and gently mad bibliophile, has understood books, he has devoured them with the unmitigated enthusiasm of a toddler on a sugar rush. For him, reading has been more than a weekend pursuit or a hobby on steroids. It has been a lifestyle generously peppered with serendipitous first edition finds and deliberate in-store title hunting of which he kept meticulous notes. In this intimate and refreshingly honest essay collection illustrated by artists on the autism spectrum, Feroze professes his undying love for books and elaborates on his relationship with the life-affirming act of reading. Enthusiastically noting titles that carry scribbles in the neglected margins to gushing over one of a kind collectibles, he delves into his varied picks, bringing his most formative bookish adventures to readers. Part memoir and part fascinating study of the quiet fulfilling act of reading and collecting books, this joyous meld of anecdotes and recollections explores the sweeping genius of books and storytelling and how they continually refine our collective conscience. **The Infernal Library** Daniel Kalder, 2018-03-06. A mesmerizing study of books by despots, great and small, from the familiar to the largely unknown. The Washington Post. A darkly humorous tour of dictator literature in the twentieth century featuring the soul-killing prose and poetry of Hitler, Mao, and many more, which shows how books have sometimes shaped the world for the worse. Since the days of the Roman Empire, dictators have written books. But in the twentieth century, despots enjoyed unprecedented print runs to literally captive audiences. The titans of the genre, Stalin, Mussolini, and Khomeini, among them, produced theoretical works, spiritual manifestos, poetry, memoirs, and even the occasional romance novel, and established a literary tradition of boundless tedium that continues to this day. How did the production of literature become central to the running of regimes? What do these books reveal about the dictatorial soul? And how can books and literacy, most often viewed as inherently positive, cause

immense and lasting harm Putting daunting research to revelatory use Daniel Kalder asks and brilliantly answers these questions Marshallled upon the beleaguered shelves of The Infernal Library are the books and commissioned works of the century s most notorious figures Their words led to the deaths of millions Their conviction in the significance of their own thoughts brooked no argument It is perhaps no wonder then as Kalder argues that many dictators began their careers as writers

The Hitler Myths Sjoerd J. de Boer, 2022-05-05 Adolf Hitler remains one of the most discussed figures in world history Every year an untold number of articles and books are published and television programs and internet pages are produced by respected historians through to amateur conspiracy theorists One of the consequences of this continuous flow of stories is that over time increasing numbers of falsehoods and fabrications have emerged about Hitler Many of these have subsequently gained credence by virtue of their constant repetition however bizarre they may be These include such claims that Hitler was impotent contradicted by another myth that he had an illegitimate son that he had Jewish ancestors or that he had killed his niece Another claim one of the most persistent is that he did not commit suicide but escaped Berlin to live in Argentina for years after the war despite his well recorded failing health What is the truth about his corpse his sexual experiences his years of poverty his complete dominance of his subordinates How much of what we think we know is the result of intentional or misunderstood modern interpretations Many rumours also circulated during Hitler s life and with the passage of time have been presented as facts despite having no substantial foundation Was Hitler really a hero of the First World War and if so why was he not promoted beyond the rank of corporal Was he the true author of Mein Kampf and did he write a second book that was never published and was Hitler initially a socialist In **The Hitler Myths** the author clinically dissects many of these myths often in a highly amusing fashion as he exposes the inaccuracies and impossibilities of the stories The myths the familiar and the obscure are discussed chronologically following the course of Hitler s life In his analysis of each of the myths the author draws on an array of sources to prove or disprove the rumours and speculations once and for all

Wehrmacht Diary Wolfgang Cooper, 2000-05-04 In the beginning I was so proud of my country and what I thought we were accomplishing Yet by 1943 I knew the Nazi government was leading Germany and the world down a path of destruction Not in my wildest dreams did I think I would someday be standing in the basement of the Fuhrer Bunker preparing to shoot Adolf Hitler Siegfried Knappe **WEHRMACHT DIARY** is a fascinating and true story that offers a unique look at the German side of World War II and a world in ruins In **WEHRMACHT DIARY** writer Wolfgang Cooper and Siegfried Knappe who rose through the ranks of the General Staff College to become a highly respected major in the Wehrmacht give the reader a reflective and illuminating perspective on Knappes experiences

as a German soldier who served on every major battle front in the European theater of war This unique and timely book chronicles the life of an ordinary man who found himself caught in the middle of extraordinary world events and how he survived to start a new life in America But most importantly Siegfried Knappe a long time resident of Xenia Ohio is one of the few people alive today who met Adolf Hitler face to face In fact he met the German dictator three times in six year intervals The first time was in 1933 when Knappe was an apolitical teenage shutterbug intent only on photographing Germanys new Chancellor pulling up outside a hotel in Knappes hometown of Leipzig The young Knappe ignored Hitlers chauffeur hopped onto the running board of the open limousine and snapped off three frames Over sixty years later Knappe still has the pictures The second time Knappe came face to face with Hitler was in early 1939 Knappe was by then a junior artillery officer at Kriegsschule Potsdam a military academy where he trained under legendary Field Marshall Erwin Rommel Knappe was being congratulated for his war college performance by the Fuhrer at a formal Reich Chancellory reception in Berlin Recognition for his exemplary achievements at Potsdam would promote Knappes advancement up the ranks throughout his military career The third time he met with Hitler was almost six years later and in the same building It was April 1945 As a top aide to General Helmut Weidling the commander of Berlins final defenses Major Knappe waited outside the briefing room in the Fuhrer bunker The Red Army was only 500 meters away clawing its way toward the bunker and the final destruction of the Third Reich Outside Berlin was a world of smoke fire death and horror recalled Knappe Inside protocol dictated that Major Knappe be presented by his commander to Hitler and Minister of Propaganda Joseph Goebbels I saluted and Hitler walked toward me As he neared I was shocked by his appearance He looked very old at least 20 years older than his 56 years remembers Knappe The major was shaken Like so many in Germany he had given his youth to a leader who stood for the nation Now Knappe could see that Hitler physically resembled his country withered defeated cursed Major Knappe decided to shoot Hitler the next morning On that last day in the bunker he stood near Hitler coolly calculating pistol range only to change his mind Let Hitler martyr himself Knappe decided After Knappe surrendered to the Russians he realized that the Fuhrer had inadvertently saved his life Major Knappe had become an eyewitness an eyewitness who would live to tell his incredible story All history granted a wide enough perspective is merely irony The ironies of Siegfried Knappes life are beyond number He survived five years of combat including four serious wounds three tours on the dreaded Eastern front and the final Allied assault on Berlin He helped negotia
