Tales of a First-Round Nothing Terry Ryan, 2014-05-01 Terry Ryan was poised to take the hockey world by storm when he was selected eighth overall by the Montreal Canadiens in the 1995 NHL draft, their highest draft pick in a decade. Expected to go on to become a hockey star, Ryan played a total of eight NHL games for the Canadiens, scoring no goals and no assists, not exactly the career he or anyone else was expecting. Though Terry's NHL career wasn't long, he experienced a lot and has no shortage of hilarious and fascinating revelations about life in pro hockey, on and off the ice. In *Tales of a First Round Nothing*, he recounts fighting with Tie Domi, partying with rock stars, and everything in between. Ryan tells it like it is, detailing his rocky relationship with Michel Therrien, head coach of the Canadiens, and explaining what life is like for a man who was unprepared to have his career over so soon.

He has a rare second chance to make the most of being a pro hockey player: so no parties, no scandals. Too bad he's met a woman who could sideline those plans. Maggie Goodman is not his usual type, right down to being a single mom. Still, the sizzling connection with this gorgeous brunette can't be ignored. With a little juggling and a lot of focus, Jake manages to have the game and Maggie. Then his performance on the ice suffers, and a scandal erupts. Now he can't afford the distraction of Maggie, even if she is perfect for him.

Chill Factor David Paitson, Craig Merz, 2015-03-03 The city of Columbus, Ohio, had always struggled to support any professional sports franchise. It's a town where Ohio State University reigns supreme and everything else is less important. That was until 1991, when the Columbus Chill, a minor league hockey franchise, arrived. Using Veeckian marketing tactics and on-ice shenanigans, the Chill became the talk of the city and gained a religious local fan base. Based on the success of the Chill from 1991-99, the city of Columbus was awarded with the Columbus Blue Jackets in 2000, the city's own NHL franchise. Chill Factor follows the wild ride through the eyes of team president and general manager David Paitson, from the early formation of the minor league franchise through the decision to rattle the status quo by going to the edge and beyond with a marketing and promotional plan that was both edgy and controversial. The success of the Chill after their first season gave the organization the impetus to challenge local, civic, and

business leaders to build a world class arena and emerge from the shadow of OSU There were setbacks and triumphs on and off the ice and eventually the realization that the Columbus of today would not be possible without the aid of the Chill Factor takes readers into the front office and onto the rink giving every angle of how a small town was able to get behind a working class team that fought both on and off the ice This thrilling account will appeal to those who remember the Chill s reign as well as those who enjoy seeing the underdog climb the ladder to sports supremacy Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
