

## 3-Step Morning Routine System

### The 3 Step Morning Routine System

Andrew Huberman

Version 1.0 (2023)

Thank you for purchasing this guide.

It is my intention to create a morning routine that will help you wake up feeling energized and ready to tackle the day. This is not a one-size-fits-all solution, but a framework that you can adapt to your own needs. I hope this guide will help you create a morning routine that works for you and sets you up for a successful day.

Here are the three steps:

1. If you already have a consistent sleep schedule, then you can skip this step. If you do not, then you need to establish a consistent sleep schedule. This is the most important step in the morning routine. If you do not get enough sleep, then you will not be able to perform at your best. I recommend aiming for 7-9 hours of sleep per night. To do this, you need to go to bed at the same time every night and wake up at the same time every day. This will help you establish a consistent sleep schedule.
2. Next, you need to establish a consistent wake-up routine. This is the second step in the morning routine. I recommend waking up at the same time every day, even on weekends. This will help you establish a consistent wake-up routine.
3. Finally, you need to establish a consistent exercise routine. This is the third step in the morning routine. I recommend exercising every day, even if it is just for 10 minutes. This will help you establish a consistent exercise routine.

The goal of this morning routine is to help you wake up feeling energized and ready to tackle the day. This is not a one-size-fits-all solution, but a framework that you can adapt to your own needs. I hope this guide will help you create a morning routine that works for you and sets you up for a successful day.

Thank you.

**Cis White Gay** Ben Appel,2025-11-04 A gay survivor of a Christian cult finds new purpose in LGBT activism and attends Columbia University with the aim of becoming a journalist only to find himself in a new cult devoted to queerness anti Zionism and anti Western radicalism In 1983 Ben Appel is born into the Lamb of God a Christian covenant community in Maryland From an early age his gender nonconformity is evident and he is made to feel sinful and bad in God s eyes When his parents marriage crumbles and his family is exiled from the sacred community Ben is thrust into the real world which he finds to be even less tolerant of girly boys than the Lamb of God Unable to reconcile his gay identity with his religious programming he prays obsessively for God s forgiveness and self medicates with drugs and alcohol Within a few years his inner demons drive him to the edge of mental and emotional collapse Later in recovery Ben rebuilds his life and finds a new calling in LGBT activism setting him on a path to the Ivy League and a hopeful career as a journalist Finally at the late age of thirty three he enters Columbia University eager to join his progressive peers in their fight against right wing authoritarianism Yet he soon discovers that he has joined a new sacred community one as conformist as the Christian cult of his childhood and as cruel as his middle school bullies Even more frightening than this mob s so called progressive mentality is its rigid ideology an illiberal orthodoxy that threatens the very principles of freedom and equality For resisting indoctrination into this new progressive cult the Cult of Queer Ben will once again face the shame and loneliness of excommunication Only this time he will discover that true freedom can be found on the other side of exile in a celebration of genuine diversity based on hard won individual identity
