Global Business Today Global Edition 8e Charles Hill, 2014-09-16 Global Business Today has been developed specifically to meet the needs of international students of business. Written in a refreshing, informative and accessible style, it has become the most widely used text in the International Business market with its comprehensive and up-to-date contents, focus on managerial implications and application of international business concepts, and incorporation of ancillary resources that enliven the text and make it easier to teach. In addition to boxed material which provides insightful illustrations in every chapter, interesting anecdotes have been carefully weaved into the narrative of the text to engage the reader. Enhancements to the Global Edition include New Country Focus boxes that provide background on the political, economic, social, or cultural aspects of countries grappling with an international business issue to help raise students' awareness of how national and geographic differences affect the conduct of international business, such as Corruption in the Philippines and the Export Processing Zone Authority of Pakistan. New Management Focus boxes that provide lively illustrations of the relevance of chapter material for the practice of international business, including Patenting Basmati Rice and Expatriate Managers. New Perspective boxes that provide additional context for chapter topics, such as Market Economy in China, Australian SMEs Embrace the Chinese Currency, and Global Variations in Ownership Structure.

The Web Designer's Idea Book Volume 2 Patrick McNeil, 2010-09-19 Web Design Inspiration at a Glance Volume 2 of The Web Designer's Idea Book includes more than 650 new websites arranged thematically so you can easily find inspiration for your work. Author Patrick McNeil, creator of the popular web design blog designmeltdown.com and author of the original bestselling Web Designer's Idea Book, has cataloged thousands of sites and showcases the latest and best examples in this book. The web is the most rapidly changing design medium, and this book offers an organized overview of what's happening right now. Sites are categorized by type, design element, styles, and themes: structural styles and structural elements. This new volume also includes a helpful chapter explaining basic design principles and how they can be applied online. Whether you're brainstorming with a coworker or explaining your ideas to a client, this book provides a powerful communication tool you can use to jumpstart your next project.

Information Needs of Communities Steven Waldman, 2011-09 In 2009, a bipartisan Knight Commission found that while the broadband age is enabling an info and commun renaissance, local communities in particular are being unevenly served with critical info about local issues. Soon after the Knight Commission delivered its findings, the FCC initiated a working group to identify crosscurrent and trend and make recommendations on how the info needs of communities can be met in a broadband world. This report by the FCC Working Group on the Info Needs of Communities addresses the rapidly changing media landscape in a broadband age. Contents: Media Landscape, The Policy and Regulatory Landscape, Recommendations, Charts and tables. This is a print-on-demand report.
