SWAYAM VIKAS (Self Development) Ramhari Gholve, 2023-11-22
 SWAYAM VIKAS Self Development Book Summary
 Millions of years ago, the earth was formed, and the environment was favourable for life. Among all the animals created by nature, the animal human was also included. This three-and-a-half-hand small human was gifted with thinking by nature, and he changed the entire universe with the force of that thinking power. Human life has been made much happier by inventing different means. The speed of work has increased so much that the earth is getting smaller. So can we live on different planets now? He is looking for it with artificial intelligence. As man is progressing, his expectations are increasing, due to which stress, depression, and anxiety are increasing, and he is becoming unhappy. The main reason for this is his mind, which does not allow him to live peacefully. Due to increasing desires, expectations, aspirations, responsibilities, and competition with others, his mind is affected, and he is suffering from various mental diseases. He discovered how to control the wandering mind by studying the laws of nature and proved that a peaceful, happy life is the birthright of the human. No matter how many difficulties, crises, or obstacles we face while moving towards our goals in life, we can make our own way over them. We can be the directors of our lives. We can reach greater heights in life. The same is elaborated in different chapters in the book.

Culturally Competent Kids Samantha Sweeney, 2025-05-06
 A book for parents that provides a science-based framework for helping to raise CULTURALLY COMPETENT KIDS. This book is for the parent who knows that culture is important. It is for the parent who wants to teach their child about the world around them but doesn't know where to start.

Let this book be your starting point and your guide The goal of Culturally Competent Kids is to help you raise your children to become adults who respect and celebrate differences rather than simply tolerating them Research shows that while biases begin to develop at age 6 their origins begin much earlier Unfortunately diversity and culture are treated as though they are grownup concepts as if children don't recognize that diversity is all around them Human beings naturally categorize and your kids will develop preferences prejudices and opinions about people who are different from them Therefore it is important for parents to take an active role in helping their children see understand and develop their understanding of people and cultures that are different As Dr Sweeney says We don't have to all be friends or even like each other to treat each other with respect This book provides a science based framework with ideas and options to explore as you embark on this cultural competence journey with your kids and also with yourself

The Art of Longevity Rod Perez, 2024-05-14 There is often a disconnect between the raw spirit of our younger selves when energy and enthusiasm were inexhaustible and our bodies rarely let us down and the limitations and demands we increasingly face over time Our vitality can fade as we stress over career family financial security and just staying mentally afloat We allow poor nutrition and bad habits to take root while our frantic mind takes the wheel Worst of all we neglect our fire the things that we love and give our lives meaning Do we wave the white flag Or do we bring oxygen back to that flame If we've managed to keep the fire flickering how do we stoke it into an inferno This book will provide you with all the tools to bring you back into equilibrium with your whole self and return you to your passions fit and focussed living with joy and purpose through every season of life You'll discover the life changing benefits of Routine discipline mindset motivation Mobility flexibility core strength including a photographic step by step guide through a variety of essential movements and a 12 week exercise program to kickstart your longevity journey Nutrition hydration sleep Breathwork meditation Rodrigo Perez is a professional coach and founder of Holistic Pro Health Performance who has worked with some of the world's most successful athletes The Art of Longevity draws on everything he's learned along his own journey for one aim keeping people in the water on the trail in the mountains wherever their inspiration lives

The Top Books of the Year Morning Routine In The Us The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Morning Routine In The Us : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Morning Routine In The Us : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
