Kingdom of Sales is a savvy industry professional's how to book written as whimsical allegoric fiction. The novella is a short and fun read that can be digested in one night and will elevate your thinking and transform the way you work sales marketing and management for the rest of your career. The ultimate 2nd1st strategy taught in this parable can be applied to any customer starting today. Unparalleled success sometimes requires nonlinear thinking as in not seeing the first day of the month and the last day of the month in a straight line. The Kingdom of Sales offers the antidote with a sure fire plan designed to keep you grossly surpassing your goals. You cannot close what you cannot categorize. An adjustment in your approach will shift the levers of your career time and time again.

Sales and Distribution Management Singh Ramendra, The primary aim of the book is to provide students of management with a firm foundation for understanding all the main components of sales and distribution management. The book has a practical orientation as it is written by an author who has worked as a practicing manager mostly in sales and distribution. The book therefore is a useful resource to practicing professionals in industry training and consultancy.
