government planners educators and entrepreneurs that have harnessed the power of good ideas to become real difference
makers in the world we live in Keeping pace with fast paced technology change requires ongoing assessment and
reassessment of the media management and technology fields to address important questions and emerging issues A major
premise of this book is that given the complex and ever changing state of media technology we have a responsibility and
obligation to engage in a broader interdisciplinary dialogue whose purpose is to understand the current and future state of
media technology and innovation as well as to appreciate the social impact that such technologies have on business
education and the general public Forecasting the future as any weatherperson or stock broker can tell you is a risky business
But in this book we use the phrase the creative next step as a way to talk about the future and what we can expect in terms
