Medical Terminology An Anatomy And Physiology Systems Approach 2nd Edition:

Medical Terminology Bonnie F. Fremgen, 1997 For Medical Terminology or combined Anatomy Physiology and Medical Terminology courses In the 2nd edition full color text workbook Bonnie F Fremgen uses an integrated body systems approach and reader friendly writing style to teach medical terminology This approach helps students learn the all important terms they need to know by immediately placing new words in the context of the human body By tying the vocabulary directly in with the discussion of anatomy and physiology beginning students can more easily understand the purpose and use of the terms they are learning and studying Best of all this approach stresses word building rather than memorization of terms
