

Places In The City

Read the passage below and answer the following questions.

In a city, you'll find important places like the school, where students learn. The hospital is where people go for medical help. The market is a lively spot for shopping. The bank is where you handle money matters. The police station keeps the city safe. The hotel, where people stay when they are away from home. The factory is where things are made, like cars or clothes. The zoo is a place where you can see different animals from all over the world. These places make the city interesting and fun to explore. These places play vital roles in the city's functioning and serve the needs of its residents.

1) What are some important places you can find in a city?

2) What is the role of a police station in a city?

3) Can you name one thing that is made in a factory?

4) Where can you go to see different animals in a city?

5) Why are these places important in a city?
