Connect yourself! Denise Loga, 2023-02-21 Connect yourself And create a meaningful and happy life is a self help book for personal development and leadership training Denise Loga addresses people who want to change their lives for the better who are restless or unsatisfied in their current situation or lack something She charmingly invites us to leave our comfort zones by asking the right questions for establishing a happier more purposeful life despite all existing limitations With a compassionate yet pragmatic approach the author reflects on the big questions of life such as What do I really want How do I want to live What impact do I want to create In addition to sharing some aspects of her own rollercoaster ride in life she as a consultant and mentor did an over 10 years long deep dive into the hearts and minds of people and organisations During this time Denise Loga discovered many common denominators for the emotional and rational wellbeing of humans She elaborated on and turned them into easily applicable tools Those tools are provided in this book for direct self coaching experiences and valuable guidance to better connect to oneself and to the surrounding world one decisive key for understanding life

Create Systems You'd Actually Use Daily: Build Intuitively For Long-Term Momentum Ahmed Musa ,2025-05-30 Let s get real most systems are a nightmare Clunky Overbuilt Abandoned after two weeks You don t need another guru approved dashboard You need systems that actually fit your brain and fuel your day Create Systems You d Actually Use Daily is your no fluff guide to building smart simple structures that stick Not because they re trendy but because they work for you Inside you ll discover How to design daily systems that match your natural workflow and don t feel like a second job The Friction Filter method to eliminate steps you ll never follow anyway How to tie your systems to momentum not motivation Why intuitive structure beats rigid planning every time This book isn t about getting organized just to look organized It s about creating rhythm reducing mental clutter and compounding results without burning out or bailing If you ve ever built a system used it twice and ditched it This is your reset Because the best systems aren t complex they re daily habits with structure And when you build intuitively you build for the long haul

Thoughts Are Things & The God In You - Connect With The Force Within Yourself Prentice Mulford, 2024-01-08 In Thoughts Are Things The God In You Connect With The Force Within Yourself Prentice Mulford delves into the profound interplay between thought and reality presenting a compelling argument for the transformative power of the human mind Through a blend of philosophical insights and spiritual reflections Mulford employs a clear and accessible literary style that invites readers into the realms of metaphysical exploration Set against the backdrop of the New Thought movement of the late 19th century this work contextualizes the emerging ideas around consciousness and self empowerment that were burgeoning during his lifetime illuminating the notion that our beliefs and thoughts significantly shape our experiences and realities Prentice Mulford a prolific writer and social reformer was deeply influenced by the prevailing currents of optimism and spiritual awakening of his era His personal journey a combination of struggle and inspiration reinforced his dedication to understanding the mind s capabilities Mulford

s other works coupled with his involvement in the New Thought community enrich his argument that within each individual lies a divine creative force waiting to be harnessed This book is highly recommended for readers seeking not only personal empowerment but also a deeper understanding of the connection between thought reality and divine potential Mulford s engaging prose and thought provoking concepts encourage a transformative journey of self discovery making this work an essential read for anyone committed to exploring the potentials of the mind *Love Connect* Dreus Cosio,Love
