Morning Routine Near Me Open Now:

Hurricane Park Kelley Dupuis, 2020-07-13 Hurricane Park tells the story of a homeless man and his friends who live in a park in central Los Angeles. The novel traces the events that lead him there, how he and his closest friend in the park come to make a friendly wager as to which of them will get off the street first and what happens to them afterward. Hurricane Park is a story about giving up hope and then trying to get it back again.

Days 195 to 202 Amy Cross, 2022-10-30 Having finally returned to New York, Elizabeth finds herself still struggling to come to terms with Toad's death. Haunted everywhere she goes by reminders of her dead family, she finds refuge in a surprising place. But when people start dropping dead in the streets, Elizabeth and her new friends face the horrifying possibility that the zombie threat is far from over. Meanwhile, Thomas makes an important decision. Finding nothing worth staying for in New York, he decides that it's finally time to go and search for his missing sister. Can he persuade Elizabeth to go with him? What dangers will he find once he hits the road? And will he finally find Martha waiting for him at the farm?

Days 195 to 202 is the ninth book in the Mass Extinction Event series. The book ends with a cliffhanger, and readers are advised to start with the first part of the series.

A Garden Design All By Myself Agnes Williams, 2009-05 In this book, Agnes Williams shares her stages of creating a beautiful garden. She invites you into her love of nature's beauty and its influence on her passion to grow seeds, plant, and watch her efforts transform into blossoming havens. Along with her strong belief that the earth desperately needs beauty, Williams feels that we all can contribute to healing the planet with simple strides in our yards. She believes that the gardens around our homes are the reflections of our souls to the world around us. Williams' connection with nature over the years has led to personal growth and amazing spiritual journeys. The colorful images throughout this book were captured after gifts of meditations and amazing stories of a gardener's spiritual journey. Williams wishes that every image in her book will quiet your mind and enable you to hear the whispers of universal intelligence that directs all creative instincts.

For Love of the World Sherman Paul, 1992-10-01 Along with poets, philosophers, and deep ecologists, nature writers who may be something of all three address the world alienation of Western civilization. By example as well as with words, they teach us to turn from the self to the world, from ego to ecos. In these deeply felt meditative essays, Sherman Paul contemplates the cosmological homecoming of nature writers who show us how to reenter the world, participate in it, and recover respect for it. In *For Love of the World*, Sherman Paul considers Thoreau, John Muir, and Aldo Leopold as major writers in the American tradition of nature writing. Henry Beston and Loren Eiseley, writers not yet so canonical, and Richard Nelson and Barry Lopez, our estimable contemporaries, Paul's meditative mode follows the practice of naturalists who enter the field, come into the open, and relate their immediate experiences. In the most primary and direct way, his essays belong to our moment in history when nothing is more essential than our reattachment to earthly existence. They will reawaken our love of the world, the necessary eros of ecos, and our wonder at and gratitude for being.

Jonker,2012-02-02 Molly and Nellie unite for the last time in this heart warming saga complete with hilarity friendship and a perfect wedding In **You Stole My Heart Away** Joan Jonker brings us the final instalment of her hugely popular Molly and Nellie series as the two friends get up to more mischief in their beloved Liverpool Perfect for fans of Katie Flynn and Nadine Dorries Molly Bennett and Nellie McDonough are very happy with their lot in life Their expanding families and abundance of friends always keep them busy And as they walk arm in arm to the shops every day they are greeted with warmth by their neighbours for wherever they go they bring fun and laughter with them Their rock solid friendship has lasted over twenty years through good times and bad and never once have Molly and Nellie fallen out The two best mates love a bit of excitement so when they learn there is a wedding in the offing which will bring the Bennett McDonough and Corkhill families even closer it gives the intrepid pair a good reason to save up for a visit into Liverpool and to the shop selling wedding hats As Nellie says to Corker It had better be a posh wedding to match me posh new hat What readers are saying about **You Stole My Heart Away** This book was fantastic I laughed all the way through walked round the house with a smile on my face Well done Joan Great book just what I wanted a real story to read over and over again By My Side Cassie Holley,2014-05-30

By My Side is my personal journey through the trials Ive faced with the Almighty God by my side the whole time Even the darkest times in my life had a lighthouse It took a lot of strength and courage to finally swim to safety I had to give up my

own control so God could take the pain away When I finally hit bottom there was nowhere to go but up As I was searching for something to help me attempt to start my journey to recovery I noticed his hand reaching out He was always there but unfortunately it took me reaching the bottom to finally reach the lighthouse I hope this book helps others know that God is always there whether we acknowledge him or not He is just waiting for us to rely on him to take the weight of this world off of our shoulders Gods love is indescribable It is unconditional It is safe It is eternal When I let God into my heart I was finally able to start healing the wounds this world threw at me By my side is the hope strength and love God provides during the earthy struggles we all face

13+1 Vladimir Weaver, 2020-02-25

Vladimir Weaver's new trilogy the 13 1 It is unsure if our story takes place in the distant future or remote past The only thing certain is that 13 1 takes us to planet Mynodis After numerous cataclysms people start a seemingly calm period where everyone's work is necessary and everybody can live a good life in relative security and recognition But what lies under the surface If you could live a life where you are never sick hardly age and have the chance to live forever what would you do for it Would you sacrifice your whole life in return You can get into 13 classes where the gap between the standards of living in the lower ones and the higher ones is inconceivable for average people Ree Vox was born into the class of the poorest Once in life everybody can choose between good and bad rich and poor life After that there is no way to change classes Ree decided to live a happy but humble life with his love but nothing happens as planned But there might be something that is worse than death Is immortality the most one can wish for Excitement adventure love fight and everything you can imagine Sit down and brace yourself it begins It's an understatement when I say I was astounded when my friend Vladimir whom I have known for not less than 15 years announced that he had finished his science fiction novel and would be happy to send it to me to read And he did so without any pomposity with his natural phlegm Only talented people are capable of this they are not the slightest surprised by their extraordinary achievements Of course writing a book is only a considerable achievement if it has a value or at least it entertains Ree Vox's adventure in a chaotic world unknown to today's man is exciting moving and captivating at the same time The author's creativity is mixed with deep understanding of the science fiction world thanks to which he makes the story plausible maintains the reader's attention incessantly and at occasions he stretches the reader's nerves to the breaking point Due to our friendship it is hard to assess the book objectively but I am convinced that I can heartily recommend the book for reading

steeped in biblical images of God's nature and deeds that most people never comment on. If you want a deep exploration of living life with God to see him behind the veil and know he is there, Ferguson's book is unique and worthy of being this year's spiritual project for anyone fortunate enough to pick it up. Derek Leman, M.T.S., Hebrew Bible, Emory University. Along the Way Bronte Pech, 2023-10-26. Having replaced the sunshine of his distant homeland for the mists and fogs of his new surroundings, David delves into the mysteries of an ancient continent hidden beneath a shrouded veil. The fourth volume of memoirs accompanies David Bergman on a spiritual odyssey through Europe. Mandryka Sebastian Bartók, 2015-01-16. The life of Sebastian and Frederic, who were both born in Eastern Europe in two countries not far removed during the Second World War. Their paths crossed in 1944 when Sebastian was in a camp in the grounds of Frederic's birthplace and both of them were small boys. In 1965 they met each other again in Munich and became friends and lovers for nearly half a century.

Clay Castle J.I. Huston, 2019-02-15. Clay Castle. By J.I. Huston. The author's inspiration for this story came about as she studied a watercolor print she bought at a benefit sale. A once beautiful old house had many tales to tell if those walls could talk. Town gossip of Clay City for four generations had centered around a house such as this. It really all begins with Lenny. While waiting for car repairs, she meets a couple of teenagers at the local pharmacy. While sipping her cherry coke at the old-fashioned soda fountain, the teenagers introduce her to the inner workings of Clay City. From their perspective, the most unique topic for a stranger to their town is the Clay Castle. As a private investigator by profession, Lenny finds this town and their castle an itch she can't scratch. Contact with her new pharmacy friends with tidbits of events brings her back. Her first return visit entices her and she begins to unravel the town's mysteries. Uncovering uncomfortable things about their town makes some of the residents wish this redhead would just go away. She soon finds herself in the midst of one of the town's secrets. Then the Clay Castle gets personal.

Open Cockpit Arthur Gould Lee, 2012-08-19. A riveting firsthand account of training for and surviving air combat during World War I by the author of *No Parachute*. Thanks to a broken leg during flight school, Arthur Gould Lee gained valuable time flying trainers before he was posted in France during World War I. In November 1917, during low-level bombing and strafing attacks, he was shot down three times by ground fire. He spent eight months at the front and accumulated 222 hours of flight time in Sopwith Pups and Camels during a staggering 118 patrols and engaged in combat 56 times. And yet he lived to retire from the RAF as an air vice marshal in 1946. Lee puts you in the cockpit in this compelling personal account of life as a fighter pilot at the front. At turns humorous and dramatic, this thoughtful enlightening memoir is a classic of military aviation.
