National Football League Chris Willis, 2010-08-19 Founded in 1920, the National Football League chose famed athlete Jim Thorpe as its first president, a position he held briefly until a successor was elected. From 1921 to 1939, Joe F. Carr guided the sport of professional football with intelligence, hard work, and a passion that built the foundation of what the NFL has become: the number one sports organization in the world. During his eighteen-year tenure as NFL President, Carr created the organization's first Constitution, implemented the standard player's contract, wrote the NFL's first ever Record and Fact Book, helped split the NFL into two divisions, and established the NFL's World Championship Game. Carr started keeping league statistics and developed the NFL Draft. But Carr's greatest achievement was creating a vision for the NFL as a big city sport. By skillfully recruiting financially capable owners to operate NFL franchises in big market cities, he created the solid foundation for the league's successful future. While the sport has grown to unheard-of heights, Carr's name and accomplishments have been lost and forgotten. *The Man Who Built the National Football League* Joe F. Carr captures the life and career of this pivotal figure in professional sports, chronicling the many achievements of a man whose vision helped shape what the NFL is today. With unlimited access and complete cooperation from the Carr family, including family interviews, personal letters, and family photos, as well as NFL League Minutes, Willis recounts the fascinating life and career of a man dedicated to the game.

Stadium Games Jay Weiner, 2000 *Stadium Games* begins with the events leading to the arrival of the Twins and Vikings to the state in 1961 and traces subsequent controversies about professional sports in the region up to the present. Weiner discusses the factors that make Minnesota the poster child for the nation's stadium debates: the recent departure of the North Stars hockey team, the near departure of the Timberwolves, the strong opposition of taxpayers, and the apparent greed of team owners. *Stadium Games* reveals the behind-the-scenes deals and inside scoop on what went wrong in the recent unsuccessful campaign for a new ballpark, divulging how public relations experts failed and how government leaders conspired to fake out Minnesota's citizens.
