Medicine Risk Discourse And Power Routledge Advances In Sociology:

Medicine, Risk, Discourse and Power John Martyn Chamberlain, 2015-11-19 This book critically explores from a comparative international perspective the role medicine plays in constructing and managing natural and social risks including those belonging to modern medical technology and expertise Drawing together chapters written by professional practitioners and social scientists from the UK South America Australia and Europe the book offers readers an insightful and thought provoking analysis of how modern medicine has transformed our understanding of both ourselves and the world around us but in so doing has arguably failed to fully recognize and account for its unintended and negative effects This is an essential read for social scientists practitioners and policymakers who want to better understand how they can develop new ways of thinking about how modern medicine can promote social goods and enhance public health Thanatourism and Cinematic Representations of Risk Rodanthi Tzanelli, 2016-04-14 In today's world the need to eliminate natural and human made disasters has been at the forefront of national and international socio political agendas The management of risks such as terrorism labour strikes protests and environmental degradation has become pivotal for countries that depend on their economy's tourist sector Indeed there is fear that the end of tourism might be nigh due to inadequate institutional foresight Yet in designing relevant policies to tackle this arts such as that of filmmaking have yet to receive due consideration This book adopts an unorthodox approach to debates about the end of tourism Through twenty first century cinematic narratives of symbolically interconnected risks it considers how art envisages the future of humanity's well being These risks include migration as an infectious disease alien incursions as racialized labour mobilities cyborg rebellion as the fear of post colonial otherness and zombie anthropophagy as the replacement of rooted identities by nomadic lifestyles Such filmic scenarios articulate the futuristic survival of community as the triumph of the technological human over otherness and provide a means to debate societal risks that weave identity politics into unequal mobilities This book will appeal to researchers and students interested in mobilities theory tourism and travel theory film studies and aesthetics globalisation studies race labour and migration **The Emerald Handbook of the Sociology of Emotions for a Post-Pandemic**

World Paul R. Ward, Kristen Foley, 2023-04-14 The Emerald Handbook of the Sociology of Emotions for a Post Pandemic World offers a sociological examination of the lived impacts of the COVID 19 pandemic through culture's of emotion offering a refreshing contribution to a new and exciting sub discipline **Mega-Events as Economies of the Imagination**

Rodanthi Tzanelli, 2017-10-10 Atmosphere the elusive ambiance of a place enables or hinders its mobility in global consumption contexts Atmosphere connects to social imaginaries utopian representational frames producing the culture of a city or country But who resolves atmospheric contradictions in a place's social and cultural rhythms when the eyes of the world are turned on it Mega Events as Economies of the Imagination examines ephemeral and solidified atmospheres in the Rio 2016 Olympic Games and the handover ceremony to Tokyo for the 2020 Games Indeed highlighting the various social and

cultural implications upon these Olympic Games hosts Tzanelli argues that the Olympic City is produced by aesthetic imagineers mobile groups of architects artists and entrepreneurs who aesthetically engineer native cultures as utopias Thus it is explored as to how Rio and Tokyo s imagineers problematize notions of creativity cosmopolitan togetherness and belonging Mega Events as Economies of the Imagination will appeal to postgraduate students postdoctoral researchers and professionals interested in fields such as Globalization Studies Mobility Theory Cultural Sociology International Political Economy Conference and Event Management Tourism Studies and Migration Studies

The Routledge International Handbook of the Sociology of Education Michael W. Apple, Stephen J. Ball, Luis Armando Gandin, 2009-12-16 This collection brings together the work of a group of the world s leading sociologists of education to explore and address key issues and concerns within the discipline The chapters draw upon theory and research to provide state of the art accounts of contemporary educational processes global trends and changing and enduring forms of social conflict and social inequality The topics which are addressed are of international relevance and significance

The Routledge Handbook of English Language and Digital Humanities Svenja Adolphs, Dawn Knight, 2020-04-16 The Routledge Handbook of English Language and Digital Humanities serves as a reference point for key developments related to the ways in which the digital turn has shaped the study of the English language and of how the resulting methodological approaches have permeated other disciplines It draws on modern linguistics and discourse analysis for its analytical methods and applies these approaches to the exploration and theorisation of issues within the humanities Divided into three sections this handbook covers sources and corpora analytical approaches English language at the interface with other areas of research in the digital humanities In covering these areas more traditional approaches and methodologies in the humanities are recast and research challenges are re framed through the lens of the digital The essays in this volume highlight the opportunities for new questions to be asked and long standing questions to be reconsidered when drawing on the digital in humanities research This is a ground breaking collection of essays offering incisive and essential reading for anyone with an interest in the English language and digital humanities

Childhood, Literature and Science Jutta Ahlbeck, Päivi Lappalainen, Kati Launis, Kirsi Tuohela, 2017-11-13 How do we understand imagine and remember childhood In what ways do cultural representations and scientific discourses meet in their ways of portraying children Childhood Literature and Science aims to answer these questions by tracing how images of childhood s and children in Western modernity are entangled with notions of innocence and fragility but also with sin and evilness Indeed this interdisciplinary collection investigates how different child figures emerge or disappear in imaginative and social representations in the memories of adult selves and in expert knowledge Questions about childhood in Western modernity culture and science are also addressed through insightful analysis of a variety of materials from the Enlightenment age to the present day such as fiction life narratives visual images scientific texts and public writings Analysing childhood as a discursive construction Childhood Literature and Science will appeal to scholars

as well as undergraduate and postgraduate students interested in fields such as Childhood Studies History Gender Studies Cultural Studies Literature and Sociology of the Family

Sharing Lives Marc Szydlik, 2016-02-22 Sharing Lives explores the most important human relationships which last for the longest period of our lives those between adult children and their parents Offering a new reference point for studies on the sociology of family the book focuses on the reasons and results of lifelong intergenerational solidarity by looking at individuals families and societies This monograph combines theoretical reasoning with empirical research based on the Survey of Health Ageing and Retirement in Europe SHARE The book focuses on the following areas Adult family generations from young adulthood to the end of life and beyond Contact conflict coresidence money time inheritance Consequences of lifelong solidarity Family generations and the relationship of family and the welfare state Connections between family cohesion and social inequality Sharing Lives offers reliable findings on the basis of state of the art methods and the best available data and presents these findings in an accessible manner This book will appeal to researchers policymakers and graduate students in the areas of sociology political science psychology and economics The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9781315647319> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Shared Experiences of Mass Shootings Johanna Nurmi, 2017-09-22 Mass violence and terrorism are a salient phenomenon in the late modern society showing no sign of decline Proactive results from the long ongoing debate of how to address these issues are therefore increasingly necessary not just in the context of prevention but also in the context of the aftermath Shared Experiences of Mass Shootings develops an understanding of the collective experience consequences and recovery processes after mass shootings Drawing from in depth case studies of two mass shootings in Finland and comparing them with other international cases it explores how communities work through violent tragedies employing social memory and memorialization practices that can be seen as either tools for recovery or as something that needs to be restricted Contributing a novel understanding of how experiencing mass violence is deeply gendered through the social patterns and narratives of men's and women's emotions this timely monograph will appeal to undergraduate and postgraduate students as well as postdoctoral researchers interested in fields such as Sociology of Violence Criminology Social Work Memory Studies Media Studies and Cultural Trauma

Foucault, Health and Medicine Robin Bunton, Alan Petersen, 2002-01-08 The reception of Michel Foucault's work in the social sciences and humanities has been phenomenal Foucault's concepts and methodology have encouraged new approaches to old problems and opened up new lines of enquiry This book assesses the contribution of Foucault's work to research and thinking in the area of health and medicine and shows how key researchers in the sociology of health and illness are currently engaging with his ideas Foucault Health and Medicine explores such important issues as Foucault's concept of discourse the critique of the medicalization thesis the analysis of the body and the self Foucault's concept of bio power in the analysis of health education the implications of Foucault's ideas for feminist

research on embodiment and gendered subjectivities the application of Foucault's notion of governmentality to the analysis of health policy health promotion and the consumption of health Foucault Health and Medicine offers a state of the art overview of Foucauldian scholarship in the area of health and medicine It will provide a key reference for both students and researchers working in the areas of medical sociology health policy health promotion and feminist studies

Origins of Inequality in Human Societies Bernd Baldus, 2016-07-28 Since the beginning of social life human societies have faced the problem how to distribute the results of collaborative activities among the participants The solutions they found ranged from egalitarian to unequal but caused more dissension and conflict than just about any other social structure in human history Social inequality also dominated the agenda of the new field of sociology in the 19th century The theories developed during that time still inform academic and public debates and inequality continues to be the subject of much current controversy Origins of Inequality begins with a critical assessment of classical explanations of inequality in the social sciences and the political and economic environment in which they arose The book then offers a new theory of the evolution of distributive structures in human societies It examines the interaction of chance intent and unforeseen consequences in the emergence of social inequality traces its irregular historical path in different societies and analyses processes of social control which consolidated inequality even when it was costly or harmful for most participants Because the evolution of distributive structures is an open process the book also explores issues of distributive justice and options for greater equality in modern societies Along with its focus on social inequality the book covers topics in cultural evolution social and economic history and social theory This book will appeal to scholars and advanced students of sociology economics and anthropology in particular sociological theory and social inequality

Cool Nations Katja Valaskivi, 2016-04-14 Nation branding is the most recent feature of imagined nation making in the history of nations Facing global competition national decision makers aim to distinguish their countries from others by means of branding Quite a few nations have considered the term cool suitable for describing some essence of their country's brand Cool Nations Media and the Social Imaginary of the Branded Country traces the mediated ways in which the transnational idea of cool has circulated from popular culture fashion and marketing into describing nations The book explores the commodification of the nation the shift to a promotional political culture and the role of media in contributing to the circulation of the idea of the Cool Nation The social imaginary of nation branding takes its theory and practices from marketing unlike earlier imaginations based on ideas of democracy or citizenship Cool Nations argues that cool is one of the vehicles through which the commodification of nations takes place

Researching Risk and Uncertainty Anna Olofsson, Jens O. Zinn, 2018-09-27 Understanding and managing risk and uncertainty is a central task in contemporary societies characterised by rapid social technological and environmental change This book presents research approaches used by scholars who all share a passion to gain new insights in how individuals organisations and societies approach uncertain futures and their potential dangers The contributions illustrate the usefulness of particular

methods and methodologies for researching risk in order to advance the understanding and management of social technological and environmental challenges With research strategies and approaches from sociology psychology history linguistics anthropology and gender studies *Researching Risk and Uncertainty* provides guidance and inspiration to students and scholars across a range of disciplines interested in risk disaster and social crisis *The Routledge Handbook of Language and Health Communication* Heidi Hamilton, Wen-ying Sylvia Chou, 2014-04-16 *The Routledge Handbook of Language and Health Communication* consists of forty chapters that provide a broad comprehensive and systematic overview of the role that linguistics plays within health communication research and its applications The Handbook is divided into three sections Individuals everyday health communication Health professionals communicative practices Patient provider communication in interaction Special attention is given to cross cutting themes including the role of technology in health communication narrative and observations of authentic naturally occurring contexts The chapters are written by international authorities representing a wide range of perspectives and approaches Building on established work with cutting edge studies on the changing health communication landscape this volume will be an essential reference for all those involved in health communication and applied linguistics research and practice **Drugs and Popular Culture in the Age of New Media** Paul Manning, 2013-10-08 This book examines the history of popular drug cultures and mediated drug education and the ways in which new media including social networking and video file sharing sites transform the symbolic framework in which drugs and drug culture are represented Tracing the emergence of formal drug regulation in both the US and the United Kingdom from the late nineteenth century it argues that mass communication technologies were intimately connected to these control regimes from the very beginning Manning includes original archive research revealing official fears about the use of such mass communication technologies in Britain The second half of the book assesses on line popular drug culture considering the impact the problematic attempts by drug agencies in the US and the United Kingdom to harness new media and the implications of the emergence of many thousands of unofficial drug related sites *Managing Sport* David Hassan, Jim Lusted, 2013 This text is written especially for sport management students to examine the wider social and cultural environment and to fully explain the key issues and practical implications for everyday sport management *The Discourse of Commercialization* J. Crichton, 2010-11-24 An examination of how the commercialization of professional practice is implicated in its organizational discourses Drawing on a study of ELT colleges the book explores how teaching practices are permeated and challenged by a discourse of commercialization through which market priorities become normative in teachers professional lives **Education, Disordered Eating and Obesity Discourse** John Evans, Emma Rich, Brian Davies, Rachel Allwood, 2008-06-06 Eating less exercising more and losing weight seem the obvious solution for the oncoming obesity epidemic Rarely however is thought given to how these messages are interpreted and whether they are in fact inherently healthy *Education Disordered Eating and Obesity Discourse* investigates how body centred talk about weight fat

food and exercise is recycled in schools enters educational processes and impacts on the identities and health of young people Drawing on the experiences of young women who have developed eating disorders and research on international school curricula and the media the authors challenge the veracity substance and merits of contemporary obesity discourse By concentrating on previously unexplored aspects of the debate around weight and health it is revealed how well meaning advice can propel some children toward behaviour that seriously damages their health This book is not only about eating disorders and the people affected but the effects of obesity discourse on everyone s health as it enters public policy educational practice and the cultural fabric of our lives It will interest students teachers doctors health professionals and researchers concerned with obesity and weight issues *Sport and Society* Barrie Houlihan, Dominic Malcolm, 2015-11-16 This third edition of *Sport and Society* with contributions from some of the field s most highly respected scholars covers the myriad of complex pervasive and global issues confronting sport in the 21st century It continues to be a foundation text for students across most sport disciplines Russel Hoyer La Trobe University Australia The third edition of *Sport and Society* reinforces its place as one of the most valuable texts for students and others engaging in social scientific study of sport Overall the book continues to achieve an unrivalled balance between different social science disciplines that have been applied to sport between local national and international issues and between broad overviews and specific detail on every topic The end result is a book that is a must on many academic reading lists Iain Lindsey Durham University UK Fully updated and revised the Third Edition of Barrie Houlihan and Dominic Malcolm s ground breaking *Sport and Society* provides students and instructors with a one stop text that is comprehensive accessible international and engaging This popular book Approaches the study of sport from a multi disciplinary perspective Presents the importance of social structure power and inequality in analysing the nature and significance of sport in society Addresses the rapid commercialization and regulation of sport Engages in comparative analysis to understand problems clearly and produce sound solutions Expands students knowledge through chapter summaries guides to further reading and extensive bibliographies Offers five new chapters addressing the key contemporary issues of lifestyle sport sport for development and peace the governance of international sport organisations sports fandom and sport in East Asia A superb teaching text this new edition will be relished by instructors seeking an authoritative introduction to sport and society and students who want a relevant enriching text for their learning and research needs *Pandemic Communication and Resilience* David M. Berube, 2021-08-07 This book examines how we design and deliver health communication messages relating to outbreaks epidemics and pandemics We have experienced major changes to how the public receives and searches for information about health crises over the last twelve decades with the ongoing shift from text broadcast based to digital messaging and social media Both health theories and practices are examined as it applies to testing tracking hoarding therapeutics and vaccines with case studies Challenges to communicate about health to diverse audiences including the science illiterate and across both Western and developing

economies have been complicated by politics norms and mores personal heuristics and biases such as mortality salience news avoidance and quarantine fatigue Issues of economic development and land use trade and transportation and even climate change have increased the exposure of human populations to infectious diseases making risk and resilience more pressing The book has been designed to support health communicators and public health management professionals students and interested stakeholders and university libraries

This is likewise one of the factors by obtaining the soft documents of this **Medicine Risk Discourse And Power Routledge Advances In Sociology** by online. Medicine Risk Discourse And Power Routledge Advances In Sociology Introduction

In the digital age, access to information has become easier than ever before. The ability to download Medicine Risk Discourse And Power Routledge Advances In Sociology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Medicine Risk Discourse And Power Routledge Advances In Sociology has opened up a world of possibilities. Downloading Medicine Risk Discourse And Power Routledge Advances In Sociology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Medicine Risk Discourse And Power Routledge Advances In Sociology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Medicine Risk Discourse And Power Routledge Advances In Sociology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Medicine Risk Discourse And Power Routledge Advances In Sociology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical

downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Medicine Risk Discourse And Power Routledge Advances In Sociology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Medicine Risk Discourse And Power Routledge Advances In Sociology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
