Melodious Double Stops For Violin Book 1 By Josephine Trott:

Melodious double-stops Josephine Trott, 2004 String Solo Trott's Melodious Double Stops Book 1 for Violin 50327290 has been a landmark string exercise book for decades selling thousands of copies a year. Now the same exercises have been insightfully transcribed for viola. *String Methods for Beginners* Selim Giray, 2020-03-05 String Methods for Beginners is designed for students to receive the essential playing and teaching skills on all orchestral string instruments. The goal of this textbook is to be truly methodical in its approach and to assist the instructor completely eliminating the need to do additional research or reorganization in preparation to teach this class. Students will gain the basic knowledge and experience to teach bowed stringed instruments in public schools. String Methods for Beginners covers the necessary topics to learn and teach the violin, viola, cello, and string bass. It explores the fundamentals of those instruments and teaching considerations utilizing a heterogeneous approach. As the primary resource to any college and university level String Techniques, String Methods, or Instrumental Methods class, this course book fits into a standard semester comprised of 25 lessons which correspond with two hourly classes per week for the term. It provides the instructor with the tools to teach a classroom of non-majors or string education majors or a mixed classroom of both. **FEATURES** Offers a blueprint for a semester-long string methods course. For beginning students and also comprehensive for more in-depth study or for reference. Logical step-by-step recipe-like approach. *Violin Secrets* Jo Nardolillo, 2015-10-15 In Violin Secrets 101 Performance Strategies for the Advanced Violinist, author and violinist Jo Nardolillo surveys the cutting edge of current violin technique, combining tradition and innovation in one volume. Blending traditional strategies that have produced generations of legendary performers with modern ideas, Nardolillo reveals the secrets of today's most sought-after master teachers, garnered through her decade of study at top conservatories across the nation. With more than a quarter century of experience teaching at the advanced level, she has refined and distilled these essential concepts into clear, concise, step-by-step instructions, complete with original illustrations and helpful tips. Violin Secrets is an indispensable resource for any and all serious violinists. The first chapter tackles the toughest challenge on the wish list of every established professional, dedicated student, and passionate amateur: understanding why immaculate intonation is so difficult and exploring ways to achieve it. Further chapters address the advanced techniques of fingerboard mapping, mastering spiccato, controlling vibrato, playing into the curve, small hand technique, and navigating comfortably in high positions. An extensive section on practice strategies blends concepts from learning theory, sports psychology, and Zen, and the chapter on artistry offers insight on creating expressive phrases, connecting with the audience, and developing a unique artistic voice. Violin Secrets examines overcoming performance anxiety, choosing the right music editions, being a strong section player in an orchestra, leading productive chamber music rehearsals, and winning auditions. Violin Secrets is beautifully illustrated with original drawings by T. M. Larsen, musical examples from the standard literature, and a violinist's family tree that traces these secrets back through to the founding

fathers of violin technique The Music Secrets for the Advanced Musician series is designed for instrumentalists singers conductors composers and other instructors and professionals seeking a quick set of pointers to improve their work as performers and producers of music Easy to use and intended for the advanced musician contributions to Music Secrets fill a niche for those who have moved beyond what beginners and intermediate practitioners need **Melodious Double-stops for Violin** Josephine Trott,1931 **A Guide to Teaching Strings** Norman Lamb,1971 The Index of Violin Music Wayne Wilkins,1973 Catalog of Copyright Entries Library of Congress.
