

PRICE INCREASE LETTER

Subject: Upcoming Pricing Adjustment Effective March 1, 2097

Dear Ms. Kate Phillips,

Thank you for being a loyal customer and for trusting us with your business over the years. Your support means a great deal to us, and we are committed to continuing to provide you with the exceptional quality and service you've come to expect.

I am writing to inform you about an upcoming adjustment to our pricing structure, effective March 1, 2097. Over the past year, we have faced rising costs in production, materials, and operational expenses. To maintain the high standards of our services and introduce exciting new features, it has become necessary to implement a price increase.

Starting March 1, 2097, the monthly subscription rate will increase from \$50 to \$60. This adjustment allows us to continue delivering top-tier service, enhance our offerings, and ensure we can meet your evolving needs effectively.

We understand that price changes can be challenging, and we want to support you during this transition. As a token of our appreciation, customers renewing their subscription before February 15, 2097, will receive a one-time 10% discount on the new rate.

We truly value your understanding and continued partnership. If you have any questions or concerns about this change, please don't hesitate to reach out. You can contact me directly at support@company.com or call (555) 123-4567.

Thank you again for your trust in us. We look forward to serving you in the future.

Sincerely,

Kevin Doyle

Customer Relations Manager

Applied Cost-benefit Analysis, Second Edition Robert J. Brent, 2007 Acclaim for first edition The author succeeds in bringing together many interesting real life applications of CBA in various areas including among others health environment and transportation The examples are well chosen to illustrate the basic issues and show clearly the crucial importance of theoretical and assumptions Moreover they are presented in an accessible amethodologicalnd attractive way For those who know already the principles of CBA these applications are stimulating and enjoyable reading Erik Schokkaert Tijdschrift voor Economie en Management This fully updated new edition continues in the vein of its predecessor by viewing cost benefit analysis as applied welfare economics while at the same time building on the earlier framework by extending the theory and providing further applications in each chapter New for this edition are analyses of theory related applications in mental health condom social marketing programs female primary education as a means of preventing HIV AIDS and the pricing of natural gas Presented in an integrated manner the theoretical concepts are constructed around the main building blocks of CBA such as shadow pricing distribution weights the social discount rate and the marginal cost of public funds This edition will cement the book's place as a major and accessible

text in the field and will be of great interest to graduate and undergraduate students of welfare economics and microeconomic theory as well as government economists involved with any area of public policy History of Soy Ice Cream and Other Non-Dairy Frozen Desserts (1899-2013) William Shurtleff, Akiko Aoyagi, 2013-10-18 *Handbook of Construction Management and Organization* Joseph Frein, 2012-12-06 The primary purpose of this handbook is to make available to general contractors consulting engineers construction managers specialty contractors and subcontractors as well as to professors and students in Universities and technical institutes which offer courses on the subject the fundamentals of construction management together with the most workable types of organization and the necessary capabilities they must include to reasonably ensure success and minimize the possibility of failure in this most hazardous profession The second and equally important purpose is to furnish equipment manufacturers dealers material suppliers bankers surety bondsmen and others who traditionally rely on financial statements and general reputation something more concrete to look for the type of management and organization and its scope and capability in deciding how far to go along with contractors with whom they deal or wish to deal This the second edition of the Handbook is an updated version of the work published in 1973 The book covers very many subjects which are part of construction The greatest care was exercised in consideration of their practical aspects based on the theory and practice of construction management and its structure and the functions of the various departments both in the field and central offices that make up construction organization Leading specialists in their particular fields were selected to write chapters on the vital segments making up the structure of construction management and organization These fields include construction contracts and conditions job organization by general types of projects equipment maintenance and preventive maintenance and overhaul engineering and estimating scheduling and controls data processing and the use of computer equipment in engineering and accounting techniques office administration corporate and cost accounting payroll employment and labor relations safety public relations legal and contractual problems banking and finance taxes surety bonding insurance pension and retirement problems and others **Successful Sales and Marketing Letters and Emails** Dianna Booher, 2012 Ever struggled to make your follow up email to your sales appointment say something more meaningful than thank you for meeting Have trouble getting a prospect to commit to more than Email me some information on that and I ll take a look How do you introduce yourself as the new BD manager when the inactive account doesn t even remember your company name So what do you put in your proposal cover letter that hasn t already been said in the full proposal If these issues present problems when you sit down to write a customer or prospect you re not alone But if you re a sales professional or entrepreneur then you know that writing letters and emails to your prospects and clients can be your most powerful sales tool But is it Really Or is that the paperwork that gets put off until overcome by events Unlike the spoken word that quickly fades from memory the written word has staying power power that can deliver your message while building lasting relationships And if you re a business development or marketing manager then you know
