The Millennial's Guide to Changing the World Alison Lea Sher, 2018-05-01 A guide and blueprint to a purposeful millennial existence and how we can make a difference. What does it mean to be a millennial in this chaotic world? Beyond Snapchat and Tinder, the consumerist culture we've inherited, and quarter-life crises, can a millennial aspire to more? Alison Lea Sher argues yes, we can. Packing herself up in an RV, Sher embarks on a road trip in hopes of starting a conversation about what it means to grow up in America post-Great Recession. Interviewing 150 of her millennial peers as they begin their adult lives—from kids heading straight to Wall Street after college to those sleeping on it—Sher asks: Who are you? What should you do? and how can you step into your destiny as a stakeholder in society? The Millennial's Guide to Changing the World is a one-of-a-kind ethnographic study on the spotlighted millennial generation as told by millennials, the largest generation in US history that is now transitioning from adolescence to adulthood. As millennials embark on a young adult quest during a frightening time, how can they enlist the idealism, values, and resistance politics they are so well known for to discover a sense of self and purpose? Learn how to Adult and not in the way society defines it. Ride the technology revolution instead of letting it ride you. Be ethical, inclusive, and sex-positive in your relationships.
