Arts Marketing Insights Joanne Scheff Bernstein, 2011-01-19 Audience behavior began to shift dramatically in the mid 1990s Since then people have become more spontaneous in purchasing tickets and increasingly prefer selecting specific programs to attend rather than buying a subscription series Arts attenders also expect more responsive customer service than ever before Because of these and other factors many audience development strategies that sustained nonprofit arts organizations in the past are no longer dependable and performing arts marketers face many new challenges in their efforts to build and retain their audiences Arts organizations must learn how to be relevant to the changing lifestyles needs interests and preferences of their current and potential audiences Arts Marketing Insights offers managers board members professors and students of arts management the ideas and information they need to market effectively and efficiently to customers today and into the future In this book Joanne Scheff Bernstein helps readers to understand performing arts audiences conduct research and provide excellent customer service She demonstrates that arts organizations can benefit by expanding the meaning of valuable customer to include single ticket buyers She offers guidance on long range marketing planning and helps readers understand how to leverage the Internet and e mail as powerful marketing channels Bernstein presents vivid case studies and examples that illustrate her strategic principles in action from organizations large and small in the United States Great Britain Australia and other countries *Advanced Theory and Practice in Sport Marketing* Eric C. Schwarz, Jason D. Hunter, Alan LaFleur, 2013 Effective marketing is essential for any successful sport organization from elite professional sports teams to local amateur leagues Now in a fully revised and

updated second edition *Advanced Theory and Practice in Sport Marketing* is still the only text to introduce key theory and best practice at an advanced level. The book covers every key functional and theoretical area of sport marketing including marketing research, information systems, consumer behavior, logistics, retail management, sales management, e-commerce, promotions, advertising, sponsorship, and international business. This new edition includes expanded coverage of important contemporary issues including social responsibility and ethics, social media, and networking, relationship and experience marketing, recovery marketing, and social marketing. Every chapter contains extended cases and first-hand accounts from experienced sport marketing professionals from around the world. Following those cases are questions encouraging students and practitioners to apply their theoretical knowledge to real-world situations and to develop their critical thinking skills, while each chapter also includes helpful features such as definitions of key terms, summaries, and guides to further reading. A companion website includes an impressive array of additional teaching and learning resources including a test bank of exam questions, PowerPoint slides, and extra case studies for lecturers and instructors, and useful web links, self-test, multiple-choice questions, and glossary flashcards for students. *Advanced Theory and Practice in Sport Marketing* goes further than any other sport marketing text in preparing the student for the real world of sport marketing. It is essential reading for any upper-level undergraduate or postgraduate course in sport marketing or sport business and for anybody working in sport marketing looking to develop and extend their professional skills.

Customer Service Marketing Edwin N. Torres, Tingting Zhang, 2022-12-05. This timely book is a comprehensive overview of customer service principles, theories, and practices. It looks at the best practices of service enterprises and the delivery of superior customer service. It also includes classic and contemporary theories relating to the consumers, managers, and their behaviors in organizational settings. The book uses real-life applications through examples from business enterprises in various service sectors including hotels, restaurants, theme parks, event management, airlines, cruises, e-retailers, and finance. This book covers important concepts in service design and delivery, including customer experiences, peer-to-peer services, the organization's servicescape, quality measurement tools, and use of technologies. The book also gives insights into consumers, including their expectations, attitudes, emotions, word-of-mouth behaviors, and strategies to ensure their loyalty. It also looks at developments in service theory and practice which remain relatively unexplored by existing textbooks. Filled with real-world case studies in various service sectors, this textbook will be particularly useful for students in hospitality, guest services, and services marketing.
