Dear [Mr./Ms./Mx.] [Hiring Manager's Last Name],

I'm writing to you regarding your company's Customer Service Representative opening. I've been working as a Telephone Sales Executive at Telemarketer Auto Insurance USA for more than 2 years and have developed impeccable phone manners, and an ability to deal with agitated or distressed customers. I'm accustomed to working on multiple projects simultaneously, and I can offer new ideas to help your company grow and surpass all goals and objectives.

My relevant experience includes the following highlights:

- Making 60 cold calls a day to businesses and private individuals to solicit sales of goods and services
- Implementing a new sales strategy that reduced training expenses by 30% and increased the close ratio by 10% within 3 months
- Maintaining an average 95% customer satisfaction rating

My experience at Telemarketer Auto Insurance USA has helped me improve my leadership skills, allowed me to gain organizational skills, and provided me with extensive knowledge of how to upsell services and goods to potential clients. I've also worked at Parade Hotel as a Front Desk Clerk, providing information to guests in a 150+ room hotel. Additionally, I trained and supervised 6 new staff members.

I'm looking forward to discussing my qualifications with you in more detail soon. I feel confident that I fulfill the requirements for your open Customer Service Representative position. Thank you for your time and consideration.

Sincerely,

Aparna Khatr

More cold comfort Great Britain: Parliamentary and Health Service Ombudsman, 2011-11-30 The Parliamentary Ombudsman Ann Abraham has upheld complaints from nine farmers about the Government's handling of a subsidy scheme which caused them to miss out on payments they were entitled to The farmers complained to the Ombudsman about the administration of the Single Payment Scheme SPS in 2005 and 2006 by the Rural Payments Agency RPA part of the Department for Environment Food and Rural Affairs Defra The SPS is the latest generation of the EU schemes intended among other policy aims to give farmers direct income support The farmers complained about RPA's handling of their claims to the SPS on a number of counts including that they provided poor quality and sometimes ambiguous guidance on how to make a claim failed to return applicants telephone calls when this had been promised misdirected applicants about the status of their cases delayed letting applicants know that they would not be paid and did not explain their decisions properly RPA also failed to consider the effects their errors and omissions had on the farmers when they came to complain In one case a farmer misunderstood the new form and only claimed a subsidy for the year 2005 She did not activate her claim and subsequently did not receive a payment No one questioned her mistake even though RPA knew this was a common error by farmers Losing a payment of over 13 000 left the farmer unable to pay all her bills and reliant on her partner's goodwill She found out her mistake almost a year after submitting her claim when she asked what had happened to her payment Another farmer also misunderstood the new form and guidance and did not activate his claim He was then led to believe by the RPA that he would be paid which was not the case He and his wife found the confusion and uncertainty of their circumstances particularly stressful The farmer had to increase his overdraft sell land and take on extra part time work in order to meet the financial shortfall As a result of the Ombudsman's investigation the farmers will each receive a written apology from the Permanent Secretary of Defra and compensation of 500 for the inconvenience distress and frustration that they experienced They will also receive individual payments to put right the financial impact of RPA's failures In addition the Ombudsman has also asked RPA to provide an action plan setting out the changes they have made to prevent other farmers experiencing the same problems in future
