Amazin' Upset John G. Robertson, Carl T. Madden, 2021-07-09 In October 1969 the New York Mets stunned the sports world by defeating the heavily favored Baltimore Orioles in a memorable World Series Their five game triumph capped off a true Cinderella season when the woebegone National League franchise rose from laughingstock to popular champions The histories of both the Mets and Orioles are traced along with their paths to the climactic 69 Series A batter by batter recap of all five games gives a box seat view to a storied moment in baseball history [The Forgotten Game](#) John Vampatella, 2021-08-24 A gripping detailed recap of the wildly insane oft overlooked extra innings classic that turned the 2004 ALCS into the most memorable playoff series in modern history No team had ever come back from a 3 0 deficit to win a postseason series in baseball In the history of MLB postseason play going into Game 5 there had been twenty five series to start out 3 0 Of those twenty ended in sweeps two made it to a sixth game and none had made it to a seventh game The Forgotten Game details one of the greatest games in baseball history between the two most bitter rivals in the sport For years the two teams fought for American League supremacy with the Yankees usually coming out on top Following an incredible 2003 playoff series the two teams squared off again in 2004 for the right to go to the World Series The Yankees won the first three games in convincing fashion and it seemed yet again they would eliminate the Red Sox until Boston miraculously won Game 4 Most fans remember the steal by Dave Roberts that sparked the game tying rally in the ninth to keep Boston s hopes alive And most fans remember Curt Schilling s sutured ankle in Game 6 But Game 5 was a do or die moment for the Red Sox and they delivered in epic fashion Yet despite being the pivotal game in the series it hasn t drawn the attention the others have The Forgotten Game breaks down Game 5 on a virtual pitch by pitch basis from the battle between Pedro Martinez and Mike Mussina to the clutch performances by Tim Wakefield and David Ortiz while breaking down the strategies the managers employed and stories of how various players made their way to their respective teams for that fateful night Never before has the story of Game 5 been told in such vivid and riveting detail If you ve devoured everything Red Sox Yankees you ll LOVE IT If you are new to the rivalry and era you will understand it for the first time I couldn t put it down and loved the historical context of each inning I loved it Gar Ryness Batting Stance Guy While most people remember Boston s dramatic game 4 victory or Curt Schilling s bloody sock heroics in game 6 game 5 was truly the unsung hero of the series John Vampatella does a magnificent job of explaining why while providing tremendous background and anecdotes that all baseball fans will enjoy The Forgotten Game is an absolute must for Red Sox fans of all ages Scott Cordischi WEEI sports talk show host [*Cable Vision*](#) ,1996 **Absolute Beginner's Guide to Cable Internet Connections** Mark Edward Soper, 2002 This guide is for those who don t want to wait for six months until the cable company can install an internet connection Cable Internet has exploded on the consumer market This guide shows users just how to install their own hardware and configure Windows [*The Mustache Gang Battles the Big Red Machine*](#) John G.

One Sports Fan Left Behind William D. Butler,2011-10 Nearly everyone in America is interested in sports However many people are becoming disenchanted Media coverage is dominated by scandalous stories involving many of America's best known figures in nearly all major sports

Fans have come to see professional athletes in general as being overpaid immature and obnoxious Ticket prices have become outrageously exorbitant Many fans feel that they have been betrayed by something that they once held so dear One Fan Left Behind written by a typical longtime sports fan speaks to and for those fans Some of the issues addressed are controversial and may serve as catalysts for further thought Many dubious things about sports are blithely taken for granted For instance did you ever wonder why it is that if a basketball player is fouled in the act of shooting 25 feet from the basket a shot which he was probably going to miss anyway he gets to move ten feet closer to the hoop to shoot three free throws But if he is fouled in the act of shooting a lay up a shot which he rarely misses he has to move several feet further from the basket to shoot only two free throws One Fan Left Behind is written in a style which is lighthearted entertaining and at times tongue in cheek Portions could be used as a stand up comedy routine Other segments can be described as nostalgic poignant and or deadly serious The topic is singularly timely So many things happen every day that it was difficult for the author to finish writing this book He had to simply drop the pencil and stop writing The story is still unfolding
